TBCC Students Angelica Ortiz-Rios, Kym Hamann, and Joe Boyd, all three Phi Theta Kappa Honor Society students, pose with TBCC President Ross Tomlin and Phi Theta Kappa Advisor Sheryl Vanselow after being recognized as TBCC’s All-Oregon Community College Academic Team representatives at a luncheon hosted by Governor Kate Brown at the State Capitol on April 26, 2019. The All-Oregon Community College Academic Team is a showcase of student representatives from the 17 Oregon Community Colleges who received a nomination from their college, and demonstrate academic excellence, quality stewardship of their campus, and a dedication to community service.
WELCOME

Summer is in the air. Even though winter term is winding up as I write this, we just had a week of very warm weather after a pretty harsh February, so we are all very much looking forward to spring and summer. Summer term can be a great time to take a couple of classes to make progress on your Career Education Plan (CEP) and keep you on track to graduate when you had planned. We are working to offer more classes in summer than in past years to provide more opportunities for students. Many of those classes will be online to make it even more convenient for students who work during the summer to earn money to come to college the rest of the year. Those of you that might be home from a university for the summer could also possibly find a course that can be taken locally with us for a much lower cost. TBCC tuition rates are below the average for community colleges in Oregon and significantly below the costs of a university. Take a look inside to see what we offer.

This coming year, TBCC will be joining a state-wide initiative called Guided Pathways. It is a program that helps students find the best path for them at college (even starting in high school). Guided Pathways helps students work with an advisor to make course choices that will fully count toward the chosen path so that no courses taken are wasted credit. We will be putting even more of an emphasis on keeping students on track while here at TBCC, and ensuring that if they plan to transfer to a university after TBCC, all credits will transfer seamlessly.

If you have not taken any courses at TBCC yet, but are thinking about starting in summer, please come in and talk with our Student Services staff. They can discuss options that will meet your interests and goals, and can also provide information on how to best fund your education. There are many different ways to cover the costs of college, from financial aid to scholarships, work study positions at the college, and more. We are one of the few colleges that provide First Class Scholar Scholarships for students that have just graduated from High School in Tillamook County, as well as our new Career-to-Career Scholarship that is designed for students who have been out of school for at least five years. These scholarships cover all tuition for up to two years. Please come in and talk to our Student Services staff about these and other opportunities to cover your college costs.

I hope you all have a great summer and do let us know if there is more we can do to help you achieve your educational goals. We love serving and helping people in Tillamook County to find their career passion and then the education to make it a reality.

Sincerely,

Dr. Ross Tomlin
President, TBCC
WHAT’S NEW AT TBCC

TBCC is excited to offer 4 new degree programs and 3 new certificate opportunities beginning in 2019/2020

Here is what is new:

• Associate of Science in Natural Resources (New)
• Associate of Science in Animal Science (New)
• Associate of Science in Agricultural Science (New)
• Associate of Applied Science in Welding (New)
• A certificate in Office Supervision: 47 Credits (New)
• A certificate in MSSC CPT: 13-16 Credits (New)
• A certificate in Welding Technology (New)

To learn more about these programs, visit www.tillamookbaycc.edu. You can also meet with a Career Education Advisor to make a plan to get started.

TBCC welcomes Andrea DeLancey!

Andrea is the newest member of our student services team serving in the role of Career Education Advisor. Andrea brings with her eight years of experience assisting students to accomplish their goals through advising and planning. Her most recent experience was at a small private college in Indiana where she worked predominately with students who were returning to their education as adults after gaining experience in the workforce. It is an experience Andrea herself understands well having started college after high school but not completing until returning many years later. Andrea moved to Tillamook with her husband who is also employed locally. She loves being in a small rural farming community like she was in Indiana. She has two grown daughters and two cats. She loves the Indiana Colts and anything football. Stop in to meet her and learn how she can help you to reach your goals.
JOIN A STUDENT SUCCESS COHORT!

BRIDGES

Are you a first-year student? Our BRIDGES cohort program can help you get off to a strong start in college during your first term of enrollment.

Students who enroll in the BRIDGES program will meet twice per term with an advisor and have the chance to:

- meet other first-year students;
- meet a variety of TBCC staff;
- enjoy extra support;
- receive one-on-one mentoring;
- participate in special workshops;
- and qualify to receive tuition reimbursements, book scholarships, and tutoring incentives.

NAVIGATORS

Are you a second-year student who needs assistance with what comes after completing your degree?

Join the student cohort program for second-year students called NAVIGATORS! Students enrolled in this program can receive:

- additional support from our advisors;
- transfer workshops
- university campus site visits;
- meetings with other second-year students;
- assistance with job searching;
- book scholarships and tuition reimbursement.

For more information about BRIDGES or NAVIGATORS, contact Student Services at (503) 842-8222 ext. 1110 or studentservices@tillamookbaycc.edu.
Apply Now for FAFSA

Have you applied for financial aid? You may qualify for aid during the summer. Contact our Financial Aid Advisors BEFORE you enroll in classes to learn about options to help you pay for college.

Do You Qualify for Disability Services?

If you have a physical, learning, or emotional disability that you fear may impact your learning, make an appointment with Cara Elder (caraelder@tillamookbaycc.edu) as soon as possible before enrolling in your first term.

Paul R. Letersky
Criminal Justice Instructor & Curriculum Coordinator

How does a former secretary to J. Edgar Hoover, FBI Special Agent, Sky Marshall, Head of Security for United Airlines, and Vice President of Pan American World Airways arrive at Tillamook Bay Community College? It is a long story. A long fascinating story.

What inspired you to go into a career with the FBI?
I wasn’t inspired. It happened by chance. While a senior in college, I visited the New York State Police barracks, which was located on our campus, to see if they had a program where I could become a State Trooper. Coincidently, an FBI Agent was also in the barracks and overheard my conversation. He approached and asked, “How would you like to work for the FBI? We can find you a position with the Bureau in Washington, D.C. and while there you could attend law school.” I followed that route and while working in the Bureau’s public relations department, a secretarial position on J. Edgar Hoover’s personal office staff was needed. I was appointed to that position.

There were many exciting adventures in which I was involved as an FBI Special Agent; from being assigned as one of the first Sky Marshalls to study terrorism and prevent aircraft hijackings, to actually being involved in a shoot-out with a skyjacker. I have been involved in several high profile cases that grabbed national headlines to include the Unabomber investigation.

What brought you to Tillamook Bay Community College?
I moved to Bend, OR to be near one of my daughters and met a woman storyteller. Together, we moved to Portland and discovered it was not our town. We really wanted to live near the ocean and decided to move to Nehalem. I was very impressed with the Community College and stopped in where I met Amy Alday-Murray. During our discussion of my previous teaching experience at New Haven University, and my practical real work experience, it seemed that I could bring some benefit to the college’s criminal justice program.

Tell me about your teaching approach?
I tell my students, “I am not here just to teach you Criminal Justice, I am here to help you learn to think.” In most of my classes I arrange classroom tables in a circle as opposed to the traditional row after row. The circle configuration encourages a student face-to-face debate on our course content. We express different points of view on assigned papers where each student can learn how to frame their opinion and support it with their arguments. I want all my students to succeed and to become critical thinkers. Life has taught me many lessons and now it is time for giving back. When I see a student succeed, it genuinely warms my heart.

What do you love best about teaching at TBCC?
The gratification I get from helping students and seeing them succeed. I have a student in my class that wants to go on to law school and become a district attorney. I also have students who are barely able to keep up due to many life commitments such as being a single parent, the need to work fulltime and attending classes. I know how hard that can be and am able to identify with the demographics in Tillamook. I grew up in a relatively poor, ethnic neighborhood and was the first in my family to graduate college.
TBCC offers a variety of certificates and degrees that can help lead to family wage jobs and advancement in a variety of fields. Certificates take fewer credit hours to complete and the hours to complete vary depending on the level of training required in the individual program. Associate degrees can be completed in two years in most cases if a student attends college on a full-time basis of 15 credit hours or more per term.

What is an OER?
(Open Educational Resource)
OER = Student Savings!

Many of TBCC’s courses utilize OERs - no-cost or low-cost resources used in place of expensive textbooks. See an OER symbol next to a course in the schedule? This means your instructor is using these resources to save you money! Don’t feel comfortable using an electronic format? Most OERs include the choice to print them out for a small fee if an electronic format is not preferred.

TBCC cares about all of our students and we want to see each of you succeed. Improving your skills is the key to earning a better paying job or advancing in the job you are in.

College preparation courses are dedicated to preparing students for higher education or employment through the following programs:

- Adult Basic Education Program
- GED Preparation- English and Spanish
- English for Speakers of Other Languages

We offer day and night classes to fit school around the rest of your life, and course materials are available in Spanish and English. You may begin courses at any time.

El colegio de TBCC se preocupa por todo los estudiantes, queremos ver cada uno de ustedes triunfar. Mejorando sus habilidades es la clave para ganar un trabajo mejor pagado, avanzar en el trabajo en el cual ya estas, o para continuar en un programa de colegio. Ofrecemos clases por día y por la noche para adaptar la escuela alrededor del resto de su vida.

TBCC is now offering its GED Preparation classes and Adult Basic Education classes in Spanish.

Learning in all classes can be self-paced and students can benefit from individualized assistance, or small group work.

To find more information about class times, look for the classes marked "SPANISH" on the following pages.

Para obtener más información sobre los horarios de las clases, busque las clases marcadas con “ESPAÑOL” en las siguientes páginas.

Ask us how to get these classes free!

### About the Courses

**Adult Basic Education Program (ABE)**

Classes are designed for adult learners who need to learn or re-learn basic skills to meet work, educational, or personal goals.

**General Equivalency Diploma (GED)**

Tillamook Bay Community College can assist you in obtaining the equivalent to a high school diploma, the GED, which will enable you to pursue further education, improve your employment status or fulfill a personal goal. Financial assistance may be available to cover the cost of GED testing fees. If you need help, contact Amy Alday-Murray at (503) 842-8222 ext. 1070

**English for Speakers of Other Languages (ESOL)**

Will help students develop their English language skills. Topics will include grammar, writing, reading, vocabulary development, pronunciation, and conversation skills.

### New Students Begin Here

We want to help you get started! You may begin these courses at any time during the term. Each term is 11 weeks and the total cost for the term, no matter when you enroll, is only $15. We currently have a grant, from the United Way, and can offer these courses for free as long as our grant funding holds out. Please ask us, and complete the short application process, to access this assistance. For more information, please contact Student Services at (503) 842-8222 ext. 1100.

### What is the GED® test like?

The GED® test has been updated to make sure it measures what graduating high school seniors know and what colleges and employers will expect of you.

**Four (4) parts:**

- Science (90 minutes)
- Social Studies (90 minutes)
- Reasoning Through Language Arts (150 minutes including a 10-minute break)
- Mathematical Reasoning (155 minutes)

TeamSTEPPS Master Trainer Workshop

Team training is an accepted strategy to improve performance, communication and collaboration. This two day workshop will train team members and leadership to design, implement and evaluate teamwork development activities in their organization based on the TeamSTEPPS® 2.0 curriculum, an evidence-based, comprehensive teamwork training rooted more than 30 years of research in high-stress, high-risk industries. Originally developed for healthcare organizations, TeamSTEPPS® focuses on a framework of four teachable-learnable core teamwork skills: communication, leadership, situation monitoring, and mutual support. These tools can be successfully applied to any work setting to improve communication and teamwork.

Participants will:
1) Review the TeamSTEPPS® 2.0 curriculum
2) Receive guidance on teaching TeamSTEPPS® tools for his/her work setting
3) Create an initial or on-going TeamSTEPPS® implementation plan

The course will provide a total of twelve (12) continuing education units (CEUs). Participants must attend both days to receive CEUs and a TeamSTEPPS® Master Trainer certificate.$150 per Individual or $400 for a group of three. Continental breakfast at 7:30 am and lunch will be provided each day. Contact LeeAnn McNutt, Education Coordinator, Adventist Health Tillamook, 1000 Third Street, Tillamook, OR 97141, McNuttLL@ah.org, 503 815-2409 for registration and payment information.

### Land Fitness

#### Enhanced Fitness

Focus on dynamic cardiovascular exercise, strength training, balance, and flexibility—everything older adults need to maintain health and function as they age. In a typical class, participants will experience: a 5-minute warm up to get the blood flowing to the muscles; a 20-minute aerobic workout that gets participants moving, or a walking workout to lively music the class chooses; a 20-minute strength training workout with weights for each individual's needs; a 5-minute cool down; a 10-minute stretching workout to keep the muscles flexible. Balance exercises throughout the class. $Y-0 NY-0

Free Ranging Water Color
Celebrate summer, Tillamook county and art! In this class we celebrate our county, our unique environment of forest, estuaries and beaches by visiting various locations to paint or draw. We celebrate our skills and challenge ourselves to mature, evolve and closely observe our environment as artists. Meeting on location allows us to really soak in the local beauty and unique flavor of a given spot- some classic to watercolor (think boat basins) and some really not the usual (think fairgrounds). Class is open to all levels and even to artist who work with ink or pencil. First class will meet at TBCC campus for a brief orientation. Email instructor for course materials and more details: allisonasbjornsen@gmail.com. Students with disabilities or special needs please contact 503-842-8222 ext 1101 for additional information.

Trees of Tillamook
Do you know how trees impact your life? Trees and forests are integral to the ecology, economy and enjoyment of Tillamook County. This 3-week class will cover identification of our native tree species, how trees grow, and an overview of the Oregon Forest Practice Act including how to access online information. If you work in the tourism or wood product industry this class will enhance your ability to share and understand a great Oregon story, Tillamook’s forests. The course is being taught by a professional forester working in his 40th year in Tillamook’s forests. In 2017 he was recognized as a Fellow of the Society of American Foresters for his contributions to the profession. He is a skilled storyteller with television, radio and live audience experience with the ability to not just provide information but also to bring it to life.

Final exams are scheduled for the last week of each term. All final week classes will be held, but how the time is used is the instructor’s prerogative. The final week schedule is subject to change if circumstances such as college closure occur and make-up of class time is necessary. Certain time increments are available to instructors who need to schedule make-up exams.

All night classes (beginning 5:30 PM or later) will take the final exam during finals week. For classes that meet regularly on two evenings (e.g., Tuesday and Thursday), the exam will occur on the last evening during finals week.

1. No student will be required to take more than two back-to-back examinations.
2. No student will be required to take more than three exams in one day.
3. Students may select which course’s final exam to reschedule if item number 1 or 2 occurs. Schedule the make-up exam with the instructor.
4. If item number 1 or 2 occurs, it is the student’s responsibility to notify the instructor prior to the originally scheduled exam and arrange item number 3.
5. All make-up exams under item number 3 must be completed by 5:00 PM August 29, 2019.
6. Finals shall be given during the final week unless otherwise approved by the Chief Academic Officer.

Prerequisites

Many credit classes require prerequisites. Prerequisites are conditions that must be met in order to gain access to a particular class. These conditions are usually the completion of, or enrollment in, other courses, achieving specific placement test scores, or by departmental approval. If a course has a prerequisite, it will be listed with the course description. If you believe that you meet the prerequisite yet are not being allowed to enroll, contact your advisor. If you do not meet the prerequisite but still wish to be considered, contact the instructor. If you have any other questions, contact Student Services at (503) 842-8222, ext. 1100.

Grades

Grades are posted at MyTBCC at www.tillamookbaycc.edu. If you have questions or need additional help, call the Director of Student Services at (503) 842-8222, ext. 1110.

Statement of Nondiscrimination

It is the policy of Tillamook Bay Community College and its Board that there will be no discrimination or harassment on the grounds of race, color, sex, marital status, sexual orientation, religion, national origin, age, disability, height/weight ratio, organizational affiliation, or political affiliation in any educational programs, activities or employment. Lack of English language skills will not be a barrier to admission and participation in career and technical education programs. Persons having questions about nondiscrimination should contact:

• Title II and Title IX Coordinator, Pat Ryan, Director of Facilities, Human Resources, Safety,
  4301 Third Street, Tillamook, Oregon,
  Room 122, Phone (503) 842-8222, ext. 1020 or TDD

Student Rights/Responsibilities

TBCC provides educational opportunities for a wide variety of individual and community needs. Rules and regulations regarding student conduct assure an atmosphere conducive to pursuing an education. At the same time, students have certain rights guaranteed to them by the Constitution. The Student Rights and Responsibilities information is available in the TBCC Catalog, the TBCC Student Handbook, and on the college web site at www.tillamookbaycc.edu.

Student Disclosure Statement and Consumer Information

The Student Disclosure Statement (as required by the Higher Education Act), including important information on financial assistance opportunities, rules and regulations, institutional programs and policies, graduation and transfer rates, security policies and crime statistics, Campus safety and Security, and student rights under the Family Education Rights & Privacy Act, is available in Student Services and in the TBCC Catalog which is posted on the TBCC website at:
www.tillamookbaycc.edu.
Golden Age Discount
Individuals 62 years of age and older are eligible for a Golden Age Discount. All students using the Golden Age Discount must meet all the admission and course requirements in order to enroll in the course(s). Credit courses require the completion of the Application for Admissions and may require verification of college level reading, writing, and math skills through testing or previous college credit on a transcript.

Golden Age Discount Option One:
The college will provide a 50 percent discount on credit and continuing education courses. You may register and qualify for the 50 percent tuition discount at any time during the registration period each term. This discount applies to tuition only for credit and continuing education courses offered at TBCC. Students must meet all the prerequisites in order to register for credit courses. The discount does not apply to fees of partnership/agency courses.

Golden Age Discount Option Two:
Applies only to Credit Courses
The college will waive all tuition for credit course audits when space is available in the class. The student must register for the course only on or after the first meeting of the course each term. Students who register prior to the first day of the term should use Option One (only fees will need to be paid). These tuition waivers require instructor permission which must be obtained through an instructor signature in the audit section on the TBCC Registration and Change Form. Students must meet all prerequisites in order to register for credit courses. The discount covers only tuition.

Adding or Dropping a Course
Courses may be added or dropped online at www.tillamookbaycc.edu by clicking on the link to MyTBCC during the regular registration period or by filing a Registration & Change Form with Student Services. During the first week of the term, courses can be dropped online or in person at Student Services. The deadline to drop and have charges removed varies by course length and type. The drop deadline for credit courses is published in the quarterly Schedule of Classes. Students receiving financial aid should check with their academic and/or financial aid advisor before dropping a class. Dropping or withdrawing from a class can affect your financial aid eligibility.

Dropping a Course
Prior to the published drop deadline, you may drop any registered course by completing the official drop process. Such action will result in no charges for the course or courses (or reimbursement if the charges have already been paid). The course or courses will not appear on your transcript. If dropping a class changes your level of enrollment it may affect any Federal Financial Aid or veteran’s benefits that you are eligible to receive.

Withdrawing from Courses
You may formally withdraw from courses by filing a Withdrawal Form with Student Services. If you have applied for financial aid or veteran’s benefits, you must also notify the appropriate office of your intention to withdraw. Withdrawing will result in a grade of “W” appearing for the course or courses on your transcript. There is no refund available on withdrawal from courses after the first week of class. You may withdraw from a course through the end of the 8th week of classes.

Refunds for College Preparation Courses
Students who officially withdraw from an ABE/GED/ESOL course prior to the first day of the term will receive a refund.

Refunds for Credit Courses
Students who officially drop a credit course during the first week of the term will receive a refund. A student unable to complete a course due to hardship may follow TBCC’s petition process as appropriate. If granted, the student will receive a voucher to help defray the cost of retaking the class.

Refunds for Community & Continuing Education Courses
Early registration is encouraged for all courses. A decision to cancel a course, based on enrollment or instructor availability, may be made at least two days prior to the start date. Courses are canceled by the Chief Academic Officer (CAO) or his/her designee. Generally, the criteria for such cancellation is an enrollment of less than ten students or the guarantee set by the College. However, depending upon individual course circumstances, courses may be offered with fewer students. Refunds will be made if the course is cancelled by TBCC. Students must drop a course three days before the start date to receive a refund. Students requesting special consideration for refunds after the refund deadline should submit a Student Account Petition Form to the Business Office. Agencies offering courses in partnership with TBCC have their own refund policies.

Official Withdrawal
You may officially withdraw from college using the same form that is used to withdraw from courses. By doing a complete withdrawal you may put yourself in a position of having to repay certain amounts of your financial aid. Again, it is important that if you are receiving financial aid or veteran’s benefits, you contact the appropriate office with your intent to withdraw. The withdrawal date is based on the date that the college is provided with “official” notice of withdrawal. Official notice occurs when the Student Services Office is notified of the intent to withdraw.
**Policies & Information | Summer 2019**

**Unofficial Withdrawal**
An unofficial withdrawal takes place when a student does not provide the college with official notification. Students who stop attending without formally withdrawing will receive the grades assigned by their instructors and will be responsible for payment of tuition and fees. The date of withdrawal for Title IV purposes will be based on the best available academic record. A withdrawal date will be determined by the college when one of these four instances occurs:

- The date the student begins the college’s withdrawal process (described on page 45).
- The date the student officially notified the Registrar of intent to withdraw in writing.
- The midpoint (50%) of the term if the student withdraws without notifying the college.
- The last due date of attendance at an academically-related activity as documented by the college.

**Students with Disabilities**
Disability Services collaborates with students, staff, faculty, and community members to create inclusive, equitable, diverse, and sustainable learning environments for all. Tillamook Bay Community College provides a wide range of in-class and campus access services to students who experience documented disabilities. The department is a resource for creative problem-solving to enhance access in the areas of admission/registration assistance, advising, and advocacy for course accommodations, including:

- Test accommodations (extended time, reduced distraction, reader, scribe);
- Alternate format (computer text with digital audio, Braille);
- Technology (computer software and hardware and other devices);
- Service Providers (video-remote sign language interpreting); and
- Accessibility information, maps, and basic mobility orientation.

**Drug Free School and Workplace**
TBCC recognizes controlled substance abuse as illegal and interfering with effective teaching, work, and the development of a safe and healthy environment for learning. The college has a fundamental legal and ethical obligation to prevent controlled substance abuse and to maintain an alcohol/drug free work and educational environment.

See the college website, www.tillamookbaycc.edu for detailed information on drugs and their harmful effects, counseling and assistance programs, state and federal laws, and college policies pertaining to the illegal use of drugs.
