FALL TERM 2020

Welcome to Fall 2020 at Tillamook Bay Community College (TBCC). We hope everyone had a safe summer and are eager to get back to the books and classes. All of us here at TBCC are excited to have more students back on campus.

TBCC was fortunate to be able to reopen for summer term after being closed for most of the spring term and having all of our classes online. We did have some lab classes and other courses face to face for summer term, and they have gone well. We are planning to have almost half of our classes face to face in the fall term if the remainder of the summer term continues to go well.

The College has all the health protocols in place to work on keeping faculty, staff, and students safe this fall. Our reopening plan has been reviewed by the Tillamook County Health Department, approved by our Board of Education, and submitted to our Higher Education Coordinating Commission, all of which is following the Governor’s Executive Order and Oregon Health Authority guidelines. Students will sign in at the lobby of the main campus when entering the building. Everyone must wear a mask. We will monitor the situation locally and statewide on a daily basis and make adjustments where needed to maintain the proper protocols. For those students concerned about taking face-to-face classes, there will be plenty of options for remote (Zoom) or totally online classes.

TBCC will have a lot of new program opportunities this year. We have our new Agricultural Technology program starting this fall. It will combine agricultural skills, including animal handling, with manufacturing and welding skills. The other new degree program this fall will be Healthcare Administration. This program will combine healthcare classes with business-related classes. We also plan to offer more community education classes after scaling back on those during the spring and summer terms.

We are starting our fourth year of the Career-to-Career scholarship program for degree seeking students that focuses on people in Tillamook County that have been out of high school or have not taken college classes for at least 5 years but want to attend college to learn a career or transfer to a university. It provides free tuition for a certificate or degree you are interested in pursuing. We are offering more of those scholarships this coming year so if you think you might be qualified and interested, please check with Student Services. In addition, we will be offering several other scholarships in the fall using our online program. Please take advantage of these opportunities to get some resources to help you with college costs.

We want all of you to have a successful and safe fall term and I look forward to seeing some of you on campus. We do hope some of you will become involved with our Associated Students of TBCC or the Phi Theta Kappa Honor Society. It looks great on your resume and will enhance your experience at the college. My door is always open to come by and say hi and let me know how you are doing. We are committed to helping you succeed in your educational goals.

Sincerely,
Dr. Ross Tomlin
President, TBCC
WHAT’S NEW AT TBCC

What will Fall Term look like at TBCC?

Fall term classes will be taught in many different modalities. Many will be taught online or through Zoom and many will be offered on campus. Students who attend class on campus will need to wear a face covering, only attend if they are feeling well, and will need to adhere to social distancing regulations.

If you need to check out a laptop computer or access a WiFi connection we can help. Please contact the TBCC library at 503-842-8222 ext. 1720 to learn how. Students can access our WiFi from the parking lot without having to enter the building. If you need support you can contact our IT team at 503-842-8222 ext. 1610 or 1620.

Community Education, Workforce Training, and SBDC Classes

Community education, continuing education, workforce development classes and classes offered through the Small Business Development Center are scheduled for fall term and will be held if social distancing and safety protocols can be met. Many classes will be available online and through Zoom technology. Please see class listings beginning on page 23.

FAQ

- **Do I need to wear a face covering to campus?**
  Yes. All students, staff, faculty, and guests on the campus must wear a face covering while on campus and meet social distancing/safety protocols.

- **Do I have to take classes on campus?**
  No. Many classes will be offered online or through Zoom. You can work with your advisor to create a plan that will keep you on track. We have computers you can check out from the library if you need support.

- **Can I meet my academic advisor in person?**
  Yes. You will need to schedule an appointment, wear a face covering, and observe all safety protocols. See page 6 for contact information.

CAMPUS SAFETY IS IMPORTANT TO US!

- We have worked hard to put a plan in place that will ensure safety on our campus.

- All students will need to wear a face covering, sign in upon arrival, and maintain social distancing at all times.

- Classrooms have been arranged to maintain 6 feet between students. Labs have special protocols in place too.

- You can view the TBCC Campus Reopening Plan at https://tillamookbaycc.edu/covid-19-information/.
Welcome Robert Moore, TBCC Registrar

In early July, TBCC welcomed a new Registrar to the Student Services team. Robert Moore moved from Arkansas where he was born and raised, and spent the last four and a half years as the Assistant Registrar and Academic Advisor at the University of Arkansas Pulaski Technical College. Robert was a dual credit student in high school and started college at age 16. He earned his Associate of Applied Science in Electronic Technology just one year after high school. From there he pursued a Bachelor’s of Science in Organizational Leadership with a minor in Political Science and finally went on to get his Masters in College Student Personnel with a certificate in advising.

Robert said it was during his own educational pursuits that he decided he wanted to be a student advisor and work in higher education. “I learned a lot as a student, so I have a pretty well rounded experience,” he explained.

Being from a small town himself, Robert said he is looking forward to integrating more with the community. He is not only dedicated to community, but also to his career and to helping students succeed. “I can use my own experiences to show students how they can also be successful and get where they want to go,” he said.

Tillamook Works: A Student Internship Program

This summer, a new internship program for high school and college students launched called Tillamook Works. It is a career readiness program that connects high school and college students in Tillamook County to local businesses, organizations, and professionals, through internships and career exploration activities. The goal of the program is to “grow our own” workforce while providing students the tools and experience necessary to make informed career and professional decisions.

Internships provide a cost-efficient way for businesses to bring eager and talented workers into their company to support a variety of work functions, all while having a direct impact on a student and their professional and educational pathway. The Tillamook Works program gives interns a unique experience to learn new skills that they wouldn’t have had otherwise.

The Tillamook Works program is supported by Tillamook Bay Community College, Neak-Kah-Nie School District, Nestucca Valley School District, Tillamook School District, and the Northwest STEM Hub. To learn more, contact Shelby Owsley, Tillamook Works Coordinator at (503) 842-8222 ext. 1090 or shelbyowsley@tillamookbaycc.edu.

ANNUAL NOTICE OF NONDISCRIMINATION

Tillamook Bay Community College offers a variety of certificates and degrees that can help lead to advancement in a variety of career fields. The college has an open admission policy; students must apply for admission and register for credit classes. The college will take steps to ensure that the lack of English language skills will not be a barrier to admission, participation in career technical education programs, or access to services, or activities.

Tillamook Bay Community College does not discriminate on the basis of race, color, national origin, disability, sex, age, religion, height/weight ratio, marital status, gender, gender identity, sexual orientation, organizational affiliation, political affiliation or protected veterans with regard to employment, admissions, access to education programs or activities as set forth in compliance with federal and state statutes and regulations.

Any persons having inquiries concerning Title II, Title IV, Title VI, or Title IX may contact: Pat Ryan, Director Facilities, Human Resources, Safety 4301 Third Street, Tillamook, Oregon, Room 122, Phone (503) 842-8222, ext. 1020. Any persons having inquiries concerning Section 504 may contact: Rhoda Hanson, Vice President of Student Services; 4301 Third Street, Tillamook, Oregon, Room 114, Phone (503) 842-8222, ext. 1110
IF YOU NEED SUPPORT TO ATTEND TBCC WE ARE HERE TO HELP YOU!

DISABILITIES SERVICES. If you have a physical, learning, or emotional disability that you fear may impact your learning, contact Student Services to speak with a disability services coordinator before enrolling for the term at studentservices@tillamookbaycc.edu or (503) 842-8222 ext. 1100.

HOW TO PAY FOR COLLEGE. Are you unsure how you are going to pay for classes? Contact our Financial Aid advisors BEFORE you enroll in classes to see how we can help! There are scholarships, grants, state, and federal aid options available. Let us help you navigate what opportunities may be best for you.

TRANSFERRING CREDITS TO TBCC: If you have credits from another college and would like to transfer those credits here, request an official transcript from that school to be sent to the TBCC Registrar as soon as possible. Contact Robert Moore at robertmoore@tillamookbaycc.edu or call 503-842-8222, ext. 1145 with questions.

STEP: If you receive SNAP benefits, the TBCC STEP program may be able to help you pay to take skill building classes. See ad on page 20 and contact Jenny Case to learn more.

HOW TO APPLY FOR EMERGENCY FUNDS TO HELP YOU STAY IN SCHOOL

TBCC has emergency funds available to support students who have been impacted by an emergency situation in their life. If you are struggling and are considering dropping out of school, please contact our student services team to learn what options are available to you. You may be eligible to receive emergency funds. We all experience hardship; if you are in need, please reach out to studentservices@tillamookbaycc.edu, or (503) 842-8222 ext. 1100.

EVERYONE IS WELCOME AT THE TBCC FOOD PANTRY DURING SCHOOL HOURS

TBCC has a Food Pantry to help meet our student’s needs. During the Covid-19 pandemic we have moved the pantry to the lobby by the front door of the main campus building. It is open from 8:30 AM - 7:00 PM Monday - Thursday through August and the same time but Monday - Friday beginning in September. This means you have free access to food staples and personal hygiene items. The pantry is offered through a partnership with Oregon Food Bank Tillamook services. We hope you will use this resource.
Whether you are signing up to become a full-time, credit-seeking student, or taking a continuing education or community education class, you can apply at www.tillamookbaycc.edu.

STEP 1: APPLY FOR ADMISSION
Whether you are joining us for the first time or already have some college experience, TBCC has a place for everyone! To get started, visit our website, click on the “Future Student” tab, then the “Apply” tab. If you need assistance, we can help at 503-842-8222 ext.1100 or email studentservices@tillamookbaycc.edu.

STEP 2: MEET WITH AN ADVISOR
If you are applying as a first-time TBCC student or a returning college student, you will need to speak with one of our career academic advisors before registration. During this meeting, you and your advisor will work together to make sure you take the right classes to meet your educational and career goals. This can be done over the phone. If you are a community education or continuing education student, this meeting is not required.

STEP 3: REGISTER FOR CLASSES
First-time college students are required to attend a new student orientation before registering for courses. Orientation will take place in August and September. Please contact your Advisor to schedule a New Student Orientation to complete your registration process.

Email accounts are created upon Application. Temporary passwords are sent to your personal email on file with your application. If you are a previous TBCC student, you can call IT to reset your password.

STEP 4: PAY FOR COLLEGE

Purchase Textbooks
TBCC has an online bookstore available 24/7 through MBS Direct. Books can be purchased online 24 hours a day, 7 days a week. Have a question? Call (800) 325-3252. Current term textbooks and pricing are available at: tillamookbaycc.edu/online-bookstore/

**FALL TERM DISCLAIMER**

Due to restrictions related to the novel coronavirus pandemic, courses scheduled for Fall Term are subject to change. Courses/labs held on campus will require social distancing/safety protocols to be met. The goal is the safety of students and compliance with restrictions outlined by the Governor’s Executive Order to ensure the safety of Oregon residents.

The most up to date information regarding the status of classes for the term will be available at www.tillamookbaycc.edu.

TBCC cares about all of our students and we want to see each of you succeed. Improving your skills is the key to earning a better paying job or advancing in the job you are in.

College preparation courses are dedicated to preparing students for higher education or employment through the following programs:

- Adult Basic Education Program
- GED Preparation- English and Spanish
- English for Speakers of Other Languages

We offer day and night classes to fit school around the rest of your life, and course materials are available in Spanish and English. You may begin courses at any time.

El colegio de TBCC se preocupa por todo los estudiantes, queremos ver cada uno de ustedes triunfar. Mejorando sus habilidades es la clave para ganar un trabajo mejor pagado, avanzar en el trabajo en el cual ya estas, o para continuar en un programa de colegio. Ofrecemos clases por día y por la noche para adaptar la escuela alrededor del resto de su vida.

TBCC is now offering its GED Preparation classes and Adult Basic Education classes in Spanish.

Learning in all classes can be self-paced and students can benefit from individualized assistance, or small group work.

To find more information about class times, look for the classes marked "SPANISH" on the following pages.

About the Courses

**Adult Basic Education Program (ABE)** classes are designed for adult learners who need to learn or re-learn basic skills to meet work, educational, or personal goals.

**General Equivalency Diploma (GED)** Tillamook Bay Community College can assist you in obtaining the equivalent to a high school diploma, the GED, which will enable you to pursue further education, improve your employment status or fulfill a personal goal. Financial assistance may be available to cover the cost of GED testing fees.

**English for Speakers of Other Languages (ESOL)** will help students develop their English language skills. Topics will include grammar, writing, reading, vocabulary development, pronunciation, and conversation skills.

What is the GED® test like?

The GED® test has been updated to make sure it measures what graduating high school seniors know and what colleges and employers will expect of you.

Four (4) parts:

- Science (90 minutes)
- Social Studies (90 minutes)
- Reasoning Through Language Arts (150 minutes including a 10-minute break)
- Mathematical Reasoning (155 minutes)

New Students Begin Here

We want to help you get started! You may begin these courses at any time during the term. Each term is 11 weeks and the total cost for the term, no matter when you enroll, is only $15. For more information, please contact Student Services at (503) 842-8222 ext. 1100.

WORKFORCE AND CAREER TRAINING FALL 2020

Fall TERM DISCLAIMER

Due to restrictions related to the novel coronavirus pandemic, community education, continuing education, and workforce development classes will be held if TBCC and our partner organizations are allowed to provide face-to-face instruction and if social distancing/safety protocols can be met. The goal is the safety of students and compliance with restrictions outlined by the Governor’s Executive Order to ensure the safety of Oregon residents.

The following courses are all subject to change based on the Governor’s Executive Order. The most up to date information regarding the status of classes for the term will be available at www.Tillamookbaycc.edu.

Truck Driver Training - CDL Preparation

Truck Driver Training: CDL Certification

An overview and introduction to the safe operation of a commercial vehicle and the field of logistics. Course content includes the operation of basic and secondary control systems, coupling and uncoupling a tractor and trailer, cargo handling, and the proper method of conducting a pre-trip inspection. Covers applicable federal regulations including hours of service requirements and Commercial Driver's Licensing (CDL) requirements and distribution channels. Also includes methods of managing speed effectively, responding to road and weather conditions, and accident scene management. Course meets for 160 hours, including classroom and practice driving. Upon completion of the course, TBCC schedules the CDL Class A Pre-Trip, Backing, and Driving tests (additional fee, paid by the student.) PREREQUISITE: Oregon CDL Learner Permit, DOT physical, driving record check, drug screen, and background check. Course limited to 4 students per section. Healthcare Professionals

Phlebotomy I

40 hours of classroom instruction in anatomy and physiology of the circulatory system, specimen collection, specimen processing and handling, and laboratory operations (e.g., safety, quality, control, etc.). This course also includes a skills component to prepare students for clinical experience in Phlebotomy II. Enrollment is limited. Successful completion of this course, high school graduation (or equivalent), and 100 hours of clinical experience (Phlebotomy, Part II) will qualify participants to take the ASCP Phlebotomy Technician examination for certification. Phlebotomy II requires (through an authorized service provider) a criminal background check, 10-panel drug screen, immunizations and CPR card before placement into clinical sites. Cost of background check and screening (approximately $147) is born by student, payable to authorized service provider and must be completed before the completion of Phlebotomy I. Further details provided on the first day of Phlebotomy I. Contact JoAnn Critelli at (503) 842-8222 x1320 or joannncritelli@tillamookbaycc.edu for information regarding screenings with authorized provider. Non-credit Work-Source Scholarships are available. Register online at www.tillamookbaycc.edu or with Student Services at TBCC.

I’m Retiring . . . Now What? How Do I Make the Next Chapter of My Life Fulfilling?
Most people spend more time planning a two-week vacation than they do their retirement years! This online workshop dedicates time for thoughtful and fun planning for our lives after work. Through exercises, we will identify our Core Needs, which represent the experiences that keep us fulfilled, happy, and engaged. Everyone has unique Core Needs that drive our personal effectiveness: key elements to a meaningful, satisfied life. Anchoring around these Core Needs, we’ll design personal, unique blueprints — fluid and flexible plans grounded in our individual circumstances and values — to maximize the joy in retirement. Please register by October 1, 2020. Zoom conference information and workshop materials supplied after registration (similar private consultation value $495).

Final exams are scheduled for the last week of each term. All final week classes will be held, but how the time is used is the instructor’s prerogative. The final week schedule is subject to change if circumstances such as college closure occur and make-up of class time is necessary. Certain time increments are available to instructors who need to schedule make-up exams.

All night classes (beginning 5:30 PM or later) will take the final exam during finals week. For classes that meet regularly on two evenings (e.g., Tuesday and Thursday), the exam will occur on the last evening during finals week.

1. No student will be required to take more than two back-to-back examinations.
2. No student will be required to take more than three exams in one day.
3. Students may select which course’s final exam to reschedule if item number 1 or 2 occurs. Schedule the make-up exam with the instructor.
4. If item number 1 or 2 occurs, it is the student’s responsibility to notify the instructor prior to the originally scheduled exam and arrange item number 3.
5. All make-up exams under item number 3 must be completed by 5:00 PM on the final day of the term.
6. Finals shall be given during the final week unless otherwise approved by the Vice President of Instruction.

Prerequisites

Many credit classes require prerequisites. Prerequisites are conditions that must be met in order to gain access to a particular class. These conditions are usually the completion of, or enrollment in, other courses, achieving specific placement test scores, or by departmental approval. If a course has a prerequisite, it will be listed with the course description. If you believe that you meet the prerequisite yet are not being allowed to enroll, contact your advisor. If you do not meet the prerequisite but still wish to be considered, contact the instructor. If you have any other questions, contact Student Services at (503) 842-8222, ext. 1100.

Grades

Grades are posted on MyTBCC at www.tillamookbaycc.edu. If you have questions or need additional help, call the Registrar at (503) 842-8222, ext. 1045.

Statement of Nondiscrimination

It is the policy of Tillamook Bay Community College and its Board that there will be no discrimination or harassment on the grounds of race, color, sex, marital status, sexual orientation, religion, national origin, age, disability, height/weight ratio, organizational affiliation, or political affiliation in any educational programs, activities or employment. Lack of English language skills will not be a barrier to admission or participation in career and technical education programs. Persons having questions about nondiscrimination should contact:

- **Title II and Title IX Coordinator, Pat Ryan, Director of Facilities, Human Resources, Safety, 4301 Third Street, Tillamook, Oregon, Room 122, Phone (503) 842-8222, ext. 1020 or TDD (503) 842-2467**
- **Section 504 Coordinator, Rhoda Hanson, Vice President of Student Services, 4301 Third Street, Tillamook, Oregon, Room 116, Phone (503) 842-8222, ext. 1110**

Student Disclosure Statement and Consumer Information

The Student Disclosure Statement (as required by the Higher Education Act), including important information on financial assistance opportunities, rules and regulations, institutional programs and policies, graduation and transfer rates, security policies and crime statistics, Campus safety and Security, and student rights under the Family Education Rights & Privacy Act, is available in Student Services and in the TBCC Catalog which is posted on the TBCC website at: https://tillamookbaycc.edu/about-tbcc/security-safety-and-equal-opportunity/
Golden Age Discount
Individuals 62 years of age and older are eligible for a Golden Age Discount. The Golden Age Discount applies to tuition only for credit courses. Individuals must complete an application and obtain a Golden Age Card. Students must meet all the admission and course requirements in order to enroll in the course (e.g. Application for Admission, verification of course pre-requisites). All course fees must be paid in full.

Golden Age Discount Option One:
The college will provide a 50 percent discount on tuition when students with a Golden Age Card register at any time during the registration period.

Golden Age Discount Option Two:
The college will waive all tuition for credit course audits when space is available in the class. The student must register for the course only on or after the first meeting of the course each term. Students who register prior to the first day of the term should use Option One. These tuition waivers require instructor permission, which must be obtained through an instructor signature in the audit section on the TBCC Registration and Change Form.

Adding or Dropping a Course
Courses may be added or dropped online at www.tillamookbaycc.edu by clicking on the link to MyTBCC during the regular registration period, or by filing a Registration & Change Form with Student Services. During the first week of the term, courses can be dropped online or in person at Student Services. The deadline to drop and have charges removed varies by course length and type. The drop deadline for credit courses is published in the quarterly Schedule of Classes. Students receiving financial aid should check with their academic and/or financial aid advisor before dropping a class. Dropping or withdrawing from a class can affect financial aid eligibility.

Dropping a Course
Prior to the published drop deadline, students may drop any registered course by completing the official drop process. Such action will result in no charges for the course or courses (or reimbursement if the charges have already been paid). The course or courses will not appear on the student’s transcript. If dropping a class changes level of enrollment it may affect any Federal Financial Aid or veteran’s benefits that the student is eligible to receive.

Withdrawing from Courses
Students may formally withdraw from courses by filing a Withdrawal Form with Student Services. If the student has applied for financial aid or veteran’s benefits, they must also notify the appropriate office of intention to withdraw. Withdrawing will result in a grade of “W” appearing for the course or courses on the transcript. There is no refund available on withdrawal from courses after the first week of class. Students may withdraw from a course through the end of the 8th week of classes.

Refunds for College Preparation Courses
Students who officially drop from an ABE/GED/ESOL course during the first week of the course will receive a refund

Refunds for Credit Courses
Students who officially drop a credit course during the first week of the term will receive a refund. A student unable to complete a course due to hardship may follow TBCC’s petition process as appropriate. If granted, the student will receive a voucher to help defray the cost of retaking the class.

Refunds for Community & Continuing Education Courses
Early registration is encouraged for all courses. A decision to cancel a course, based on enrollment or instructor availability, may be made as many as ten days prior to the start date. Courses are cancelled by the Vice President of Instruction or his/her designee. Generally, the criterion for such cancellation is an enrollment of less than ten students or the guarantee set by the College. However, depending upon individual course circumstances, courses may be offered with fewer students. Refunds will be made if the course is cancelled by TBCC. Students must drop a course before the start date to receive a refund. Students requesting special consideration for refunds after the refund deadline should submit a Student Account Petition Form to the Business Office. Agencies offering courses in partnership with TBCC have their own refund policies.

Official Withdrawal
Students may formally withdraw from courses by filing a Withdrawal Form with Student Services. Students doing a complete withdrawal may be required to repay certain amounts of financial aid. Again, it is important that if students are receiving financial aid or veteran’s benefits, they contact the appropriate office with intent to withdraw. The withdrawal date is based on the date that the college is provided with “official” notice of withdrawal. Official notice occurs when the Student Services Office is notified of the intent to withdraw.
**Unofficial Withdrawal**
An unofficial withdrawal takes place when a student does not provide the college with official notification. Students who stop attending without formally withdrawing will receive the grades assigned by their instructors and will be responsible for payment of tuition and fees. The date of withdrawal for Title IV purposes will be based on the best available academic record. A withdrawal date will be determined by the college when one of these four instances occurs:

- The date the student begins the college’s withdrawal process.
- The date the student officially notified the Registrar of intent to withdraw in writing.
- The midpoint (50%) of the term if the student withdraws without notifying the college.
- The last due date of attendance at an academically-related activity as documented by the college.

**Students with Disabilities**
Disability Services collaborates with students, staff, faculty, and community members to create inclusive, equitable, diverse, and sustainable learning environments for all. Tillamook Bay Community College provides a wide range of in-class and campus access services to students who experience documented disabilities. The department is a resource for creative problem-solving to enhance access in the areas of admission/registration assistance, advising, and advocacy for course accommodations, including:

- Test accommodations (extended time, reduced distraction, reader, scribe);
- Alternate format (computer text with digital audio, Braille);
- Technology (computer software and hardware and other devices);
- Service Providers (video-remote sign language interpreting); and
- Accessibility information, maps, and basic mobility orientation.

**Student Complaints**

Students can directly access detailed information about the student grievance procedures in the general catalog on the College website [http://www.tillamookbaycc.edu/catalog](http://www.tillamookbaycc.edu/catalog).

**Drug Free School and Workplace**
TBCC recognizes controlled substance abuse as illegal and interfering with effective teaching, work, and the development of a safe and healthy environment for learning. The college has a fundamental legal and ethical obligation to prevent controlled substance abuse and to maintain an alcohol/drug free work and educational environment.

See the college website, [www.tillamookbaycc.edu](http://www.tillamookbaycc.edu) for detailed information on drugs and their harmful effects, counseling and assistance programs, state and federal laws, and college policies pertaining to the illegal use of drugs.

Tell me about how you came to teach at TBCC?
I love telling everyone my story because I grew up here, and I was working as a waitress and just wasn’t getting anywhere in life. My older sister was going to college here at the time and told me I needed to go back to school. I was about 23 at the time, and if it hadn’t been for TBCC I would not be where I am today.

I came to TBCC for an Associates of Science and I wanted to go into nursing. I was heavy on my core classes and didn’t have enough electives, so when EMS 100 came open I took it, and I thought wow this is really cool. So literally after two years at TBCC I changed my career path. I got my EMT and have been on ambulance since 2007 as an EMT. Then six years ago I transferred over to lab so I am a phlebotomy tech. Because of the certificates I could gain through TBCC my career just grew and really took off. So now, I get to work doing what I love and then turn around and teach as well. Adventist Health – Tillamook is such an amazing partner to TBCC and I feel so lucky that I get to work in two of the coolest places. I love this community and I’ve always loved this community.

Tell me about your teaching philosophy.
When students come to me and into my class my job is to share my passion and my love – literally - for EMS, for being kind and caring for others. If you don’t have kindness you should not go into the medical field. You can teach anybody skills but kindness is key. If I can inspire people by really being supportive and being approachable, if they can trust me and I can keep communication open – those are all really important to me. And of course bringing a lot of energy into the room every single time you teach.

What advice do you have for TBCC students?
Take baby steps. Dip your toe in and see if you like it. And just remember that nothing is forever. When you’re struggling during the term or life starts giving you a lot to overcome, look at what’s in front of you and pick a little bit at a time and tackle that one thing. All of those little pieces will make a big picture. It can be so overwhelming and it’s easy to just quit, but in the end you don’t get anything good out of life if you just quit when it gets too hard.

What do you like best about teaching at TBCC?
The staff is incredible. I love the mission, and the care and support of students and each other. I leave meetings and conversations feeling motivated, inspired, and excited to teach students. For such a small community college, the love and resources for students is incredible.

What do you like to do when you are not teaching?
Well I love my family more than anything in the world. The time that I spend working is so that I have time I can actually be with them and make memories. We like to ride horses and go fishing. Happy Camp is our favorite place in the whole world. Oh and corn hole has been a big competition lately with me and my kids.
TBCC CAREER-TO-CAREER SCHOLARSHIP

- Eligible students receive free tuition for up to two years
- The scholarship is open to Tillamook County residents who have at least five years of work experience, and are looking to transition into a new career, or advance at their current job
- Applicants meet with Student Services to determine eligibility
- You can attend full or part time

TBCC FOUNDATION SCHOLARSHIPS

- Each scholarship is unique
- You do not have to have a perfect GPA to apply
- Some scholarships cover tuition while others may also cover: fees, books, living expenses, and childcare
- Some scholarships are awarded based on financial need
- Some are awarded based on merit such as your experience giving a helping hand in your community

"I am not sure I would have done any of this without the Career-to-Career Scholarship. It made all the difference for me."
Stephanie Van De Hey, 2020 TBCC graduate and Career-to-Career Scholarship recipient.
