Invitation for Public Comment (Agenda Item 3) ------ Chair Gervasi
No members of the public were present.

New Business and/or focused policy discussions (Agenda Item 4)

He noted that the retreat would start with the board members and Ross going over last year's goals and looking at goals for the coming year. The Leadership Team will join around 10-10:30 to go over the

Strategic Plan implementation, discuss the Culture of Care/Climate Survey documents, and the reorganization. Lastly, they will discuss the upcoming building projects, Healthcare, and CIT building, selling of bonds, and an update on hiring a project manager for these buildings.

Board member Perman asked that the board discuss the skills they are looking for in potential board member candidates. She noted it would be essential to consider what background and skill set they would bring, especially in line with our new mission and vision. The board had no other additions.

Ross highlighted that in the last seven years, the College had 29 measures for the old Strategic Plan, and they plan on lowering that number so that they can focus more on projects and completion. The board requested to know how success will be measured in the new plan. Director McCarley stated that a committee would help develop the list of measures for the plan, which will be many less than the current plan. These will again be used to measure Mission Fulfillment as they are in the current plan. They will also implement a tracking tool called WEAVE that will allow them to track project progress and budget needs. The board then asked who would be doing this work. Erin advised that they would cover this indepth at the upcoming Board Retreat and share it with staff and faculty at in-service. The board had no further questions or concerns.

Betsy McMahon motioned to approve the draft Strategic Plan as presented. Mary Jones seconded the motion. <u>The motion carried.</u>

Board Chair Gervasi asked if our applications were also in Spanish, to which Director Daniels stated no; however, the application tracking system will help change this. The board asked if there are any overwhelming issues the College is struggling with due to location. Director Daniels noted that we struggle with housing, childcare, and other common problems and hiring hourly positions. They are the hardest to fill, partly due to expensive housing. The board had no further questions or concerns.

Information-Only Items (Agenda Item 5)

dedication, and positive demeanor. The board thanked Sommer for the hard work she does for the College.

President Tomlin reminded the board that In-Service starts this Wednesday, September 14, and goes through Friday, September 16. It is hybrid and will be the first face-to-face in-service in 3 years. It will be held in rooms 214 and 215 from 8 am to noon. He advised that board members are welcome and encouraged to attend. Sommer will provide the Zoom link and agenda to board members. He also noted that the In-Service BBQ is on Wednesday, September 14, from 4 to 6 pm and that Board members are welcome to attend to help serve food to staff and faculty. He also reminded the board of the upcoming OCCA Board training on Saturday, September 17 in Independence and that Kathy and Betsy are both planning to attend. The second Board Luncheon to meet Debbie and Paul is scheduled for Tuesday, September 20, from 12:30-2 pm at the Portside Garibaldi.

Next, he noted that the next OPC meeting is Thursday, October 6 and the OCCA board meeting is Friday, October 7, in Pendleton at BMCC, but there will also be a Zoom option. The next OCCA conference will be in Sunriver again during the first week of November 2022.

He then shared updates from the OPC retreat and a copy of the proposed HECC budget for the upcoming biennium. He noted that HECC would be asking for a 22% increase or \$855 million to the Community College Support Fund. This is a big ask of the legislature due to the overall decrease in enrollment in community colleges by over 20% over the last couple of years. President Tomlin advised the board that close to half of the legislators will be new, as well as the Governor.

Ross then shared updates regarding one of the new bills that will be submitted at the upcoming legislative session. We are currently trying to start a Nursing Program that will begin next fall. The next step in this process is finding out how students who have received their ADN, Associates Degree in Nursing, get their BSN, Bachelor of Science in Nursing. Right now, two different curriculums are used in the state of Oregon; the one run through OHSU is OCNE, and six community colleges use a non-OCNE curriculum. Those six colleges are now looking at how they could potentially offer a BSN now that community colleges have been approved to offer 4-year degrees. Unfortunately, due to the State Board of Nursing and other institutions, community colleges cannot provide BSNs due to it not being an applied degree. They are now looking at drafting and submitting a bill to hopefully be approved by legislators to allow community colleges to offer a BSN.

The board requested to know the difference between an applied degree and a bachelor of science. VP Jarrell advised that an Applied Baccalaureate degree must tie into a 2-year Career-Technical degree, whereas a Bachelor's does not.

Universities are now asking that they be involved in the process to approve Applied Baccalaureate programs proposed by community colleges. Two Applied Baccalaureate degrees are coming up in the state and will start next fall. Chemeketa will offer a four-year business degree, and Mt Hood Community College will offer a Cybersecurity degree.

President Tomlin then shared that he met three new presidents at the OPC retreat. They are from Rogue Community College, Lane Community College, and Portland Community College. He also noted that they are all from out of state. President Tomlin said they got a chance to meet Representative Bonamici, who will represent Tillamook County starting in January. He advised that he has sent her an update on all the great things happening at TBCC and will invite her to the College after the November election.

He then shared highlights of the discussion on the funding formula for community colleges. HECC is currently working on revisions to the funding formula for community colleges. He highlighted that this is a really a distribution formula, not a funding formula. The plan is to finalize the revised formula by winter to go to the HECC Board. He shared that the presidents of the community colleges are currently coming up with their own version of the funding formula that they will present to HECC.

Lastly, he shared updates on the Bond project. VP Luquette and President Tomlin met with bond consultants last week and are planning to recommend waiting to sell bonds until February or March. He reminded the board members that once Bonds are sold, they will have to spend 5% of what is sold in six months and 85% within three years. They hope to have a good plan in place before selling to make sure they successfully spend the money by deadlines. He highlighted that they would have a project manager for them to approve at the October board meeting. The project manager will be helping manage both the Healthcare and CIT building projects and send out RFPs to hire an architecture firm for each project by early this winter. The current plan is to have the project manager and the two architects in place before they sell bonds. He added that they would also have to approve a resolution authorizing the college to sell the bonds at the October meeting. They will also share some potential features to add to the new Healthcare building they got from their visit to Chemeketa's new agriculture building at the October meeting.

Board Member Discussion Items (Agenda Item 6) ------ Chair Gervasi There were no Board Member items for discussion.

Adjournment (Agenda Item 7) ----- (Action) Chair Gervasi

Betsy McMahon motioned to adjourn the meeting. Tamra Perman seconded the motion. **The motion carried**. The meeting was adjourned at 6:17 pm.

Resolution Authorizing Sale of Bonds

RECOMMENDATION

ACTION ITEM

BACKGROUND INFORMATION	VP Luquette

At the June 27, 2022 board meeting, the Board of Education approved a motion that affirmed the results of the May 17, 2022 election for Bond Measure 29-165, as well as approved of the issuance of general obligation bonded indebtedness.

We are now asking the Board to pass Resolution 22-2, which provides the parameters and scope for issuance of the bonds. Specifically, Resolution 22-2 authorizes the issuance and sale of one or more series of general obligation bonds in the aggregate principal amount not to exceed \$14,400,000; authorizing appointment of a paying agent and bond registrar; designating an authorized representative, bond counsel and underwriter/placement agent; and related matters. The full text of the resolution is included in the board packet. The resolution does not stipulate a timeline for the issuance.

RESOLUTION NO. 22-2

A RESOLUTION OF TILLAMOOK BAY COMMUNITY COLLEGE DISTRICT, TILLAMOOK COUNTY, OREGON AUTHORIZING THE ISSUANCE AND SALE OF ONE OR MORE SERIES OF GENERAL OBLIGATION BONDS IN THE AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED \$14,400,000; AUTHORIZING APPOINTMENT OF A PAYING AGENT AND BOND REGISTRAR; DESIGNATING AN AUTHORIZED REPRESENTATIVE, BOND COUNSEL AND UNDERWRITER/PLACEMENT AGENT: AND RELATED MATTERS

WHEREAS, the Board of Education (the "Board") of Tillamook Bay Community College District, Tillamook County, Oregon (the "District") submitted to the voters of the District at an election on May 17, 2022, Measure 29-165 which sought the authorization to contract a general obligation bonded indebtedness in an amount not to exceed \$14,400,000 (the "Bonds") to finance capital costs and pay the costs of issuance of the bonds; and

WHEREAS, the canvas of votes received from the County Clerk indicated a majority of the voters of the District voting on Measure 29-165 approved of the issuance of the general obligation bonded indebtedness; and

WHEREAS, the District now desires to proceed with the issuance of general obligation bonds under the authorization of Measure 29-165 in an amount not to exceed \$14,400,000.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF EDUCATION OF TILLAMOOK BAY COMMUNITY COLLEGE DISTRICT, TILLAMOOK COUNTY, OREGON THAT:

Section 1. Issuance of Bonds. The Board of the District authorizes the issuance and sale of general obligation bonds in the aggregate principal amount not to exceed \$14,400,000 (the "Bonds"), under the authority of Measure 29-165. The Bonds shall be issued as negotiable general obligation bonds of the District for a term not to exceed 20 years from date of issuance and may be issued in one or more series as determined by the Authorized Representative. The Bonds shall bear interest at a true interest cost not to exceed five and one-half percent (5.5%) and shall be sold at not less than ninety eight percent (98.0%) of par value, disregarding any original issue discount. The District authorizes the Board Chair, President or the Vice President of Administration & College Relations (the "Authorized Representative"), either of them acting individually, or their designee, to designate the principal amount, dated date, interest rates, maturity dates, bond structure, optional redemption dates and premiums, if any, principal serial maturities, term bond maturity or maturities, with or without premium or discount, denominations, interest payment dates, whether to participate in the Oregon School Bond Guaranty Program or obtain bond insurance or some other form of guaranty or security for the payment of the Bonds, to obtain one or more ratings for the Bonds and such other provisions as are deemed necessary and desirable for the sale and issuance of the Bonds.

Section 2. <u>Title and Execution of the Bonds</u>. The Bonds shall be entitled "Tillamook Bay Community College District, Tillamook County, Oregon, General Obligation Bonds, Series 20__," or such other name approved by the Authorized Representative, and shall bear the manual or facsimile signature of the Chair of the Board of Education of the District and the manual or facsimile signature of the Secretary of the Board of Education. As determined by the Authorized Representative, the Bonds may be initially issued in book-entry form as a single, typewritten bond for each maturity and issued in the registered name of the nominee of The Depository Trust Company, New York, New York or registered in the name of the purchaser. The Bonds may be issued without certificates being made available to the owners.

Section 3. <u>Book-Entry-Only System</u>. If the book-entry-only system is utilized, ownership of the Bonds shall be recorded through entries on the books of banks and broker-dealer participants and correspondents that are related to entries on The Depository Trust Company book-entry-only system. The Bonds may be initially issued in the form of a separate single fully registered type-written bond for each maturity of the Bonds (the "Global Certificates"). Each Global Certificate shall be registered in the name of Cede & Co. as nominee (the "Nominee") of The Depository Trust Company (the "Depository") as the "Registered Owner", and such Global Certificates shall be lodged with the Depository until redemption or maturity of the bond issue. The Paying Agent shall remit payment for the maturing principal and interest on the Bonds to the Registered Owner for distribution by the Nominee for the benefit of the bondholder (the "Beneficial Owner" or "Record Owner") by recorded entry on the books of the Depository participants and correspondents. While the Bonds are in book-entry-only form, the Bonds will be available in denominations of \$5,000 or any integral multiple thereof.

The Authorized Representative shall file with the Depository a Letter of Representation to induce the Depository to accept the Bonds as eligible for deposit at the Depository. The Underwriter/Placement Agent is authorized to provide the Depository with the Preliminary Official Statement, together with the completed Depository's underwriting questionnaire.

The execution and delivery of the Letter of Representations and the providing to the Depository of the Preliminary Official Statement and the underwriting questionnaire shall not in any way impose upon the District any obligation whatsoever with respect to persons having interests in the Bonds other than the Registered Owners of the Bonds as shown on the registration books maintained by the Paying Agent and Bond Registrar. The Paying Agent and Bond Registrar, in writing, shall accept the book-entry-only system and shall agree to take all action necessary to comply at all times with the Depository's operational arrangements for the book-entry-only system. The Authorized Representative may take all other action to qualify the Bonds for the Depository's book-entry-only system.

In the event the Depository determines not to continue to act as securities depository for the Bonds, or the District determines that the Depository shall no longer so act, then the District will discontinue the book-entry-only system with the Depository. If the District fails to identify another qualified securities depository to replace the Depository, the Bonds shall no longer be a book-entry-only issue but shall be registered in the registration books maintained by the Paying Agent

and Bond Registrar in the name of the Beneficial Owner as appearing on the registration books of the Paying Agent and Bond Registrar and thereafter in the name or names of the bondholder transferring or exchanging Bonds in accordance with the provisions of Section 4 herein.

With respect to Bonds registered in the registration books maintained by the Paying Agent and Bond Registrar in the name of the Nominee of the Depository, the District, and the Paying Agent and Bond Registrar shall have no responsibility or obligation to any participant or correspondent of the Depository or to any Beneficial Owner on behalf of which such participants or correspondents act as agent for the Registered Owner with respect to:

- (i) the accuracy of the records of the Depository, the Nominee or any participant or correspondent with respect to any ownership interest in the Bonds,
- (ii) the delivery to any participant or correspondent or any other person, other than a Registered Owner as shown in the registration books maintained by the Paying Agent and Bond Registrar, of any notice with respect to the Bonds, including any notice of redemption,
- (iii) the selection by the Depository of the beneficial interest in Bonds to be redeemed in the event the District redeems the Bonds in part, or
- (iv) the payment to any participant, correspondent or any other person other than the Registered Owner of the Bonds as shown in the registration books maintained by the Paying Agent and Bond Registrar, of any amount with respect to principal or interest on the Bonds. Notwithstanding the book-entry-only system, the District may treat and consider the Registered Owner in whose name each Bond is registered in the registration books maintained by the Paying Agent and Bond Registrar as the Registered Owner and absolute owner of such Bond for the purpose of payment of principal and interest with respect to such Bond, or for the purpose of giving notices of redemption and other matters with respect to such Bond, or for the purpose of registering transfers with respect to such Bond, or for all other purposes whatsoever. The District shall pay or cause to be paid all principal of and interest on the Bonds only to or upon the order of the Registered Owner, as shown in the registration books maintained by the Paying Agent and Bond Registrar, or their representative attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligation with respect to payment thereof to the extent of the sum or sums so paid.

Upon delivery by the Depository to the District and to the Registered Owner of a Bond of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee then the word "Nominee" in this Resolution shall refer to such new nominee of the Depository, and upon receipt of such notice, the District shall promptly deliver a copy thereof to the Paying Agent and Bond Registrar.

Section 4. <u>Transfer of Bonds</u>. If the book-entry-only system is not utilized, the Bonds will be issued in certificate form. In such a case, the Bonds are transferable, or subject to exchange, for fully registered Bonds in the denomination of \$5,000 each or integral multiples thereof by the owner thereof in person, or by the owner's attorney, duly authorized in writing, at the office of the

Bond Registrar or the District, as determined by the Authorized Representative. The Bond Registrar shall maintain a record of the names and addresses of the owners of the Bonds. The records of the registered bond ownership are not public records within the meaning of Oregon Revised Statutes 192.410(4).

All bonds issued upon transfer of or in exchange for Bonds shall be valid general obligations of the District evidencing the same debt and shall be entitled to the same benefits as the Bonds surrendered for such exchange or transfer. All fees, expenses and charges of the Paying Agent and Bond Registrar shall be payable by the District. The Bond Registrar shall not be required to transfer or exchange any Bond after the close of business on the record date as determined by the Authorized Representative or transfer or exchange any Bond called or being called for redemption.

Section 5. <u>Printing Bonds</u>. If the Bonds are not in book-entry form, then the Authorized Representative is authorized to contract for the printing of the Bonds. The Authorized Representative may provide for the printing of, in addition to the original issue of Bonds, if any, additional bonds to be printed in blank form as to registration and to be designated by appropriate number for the Bond Registrar for delivery to the owner upon transfer or exchange of Bonds. The additional bonds shall bear the dated date of the Bonds, shall be signed by the manual or facsimile signature of the Chair and shall be attested by the manual or facsimile signature of the Secretary of the Board and the Paying Agent and Bond Registrar shall manually sign the Certificate of Authentication as of the date of delivery or transfer of the Bonds.

Section 6. Sale of Bonds. The Bonds may be sold by a negotiated sale or private placement pursuant to ORS 287A.300 as determined by the Authorized Representative. The Authorized Representative shall determine the requirements for the sale of the Bonds, subject to the provisions of this Resolution, that provide the most advantageous terms to the District. The Authorized Representative is authorized to negotiate and execute a term sheet, commitment letter, purchase agreement or placement agreement setting forth the terms of the sale of the Bonds.

Section 7. <u>Payment of Bonds</u>. If the book-entry-only system is not utilized, the principal of the Bonds shall be payable upon presentation of the Bonds at maturity at the designated corporate trust office of the appointed Paying Agent or the District, as determined by the Authorized Representative. Payment of each installment of interest due each year shall be made by wire, check or draft of the Paying Agent or the District mailed on each interest payment date to the owner thereof whose name and address appears on the registration books of the District maintained by the Paying Agent or the District as of the close of business on the record date as determined by the Authorized Representative.

Section 8. <u>Form of Bonds</u>. The Bonds shall be issued substantially in the form approved by the Authorized Representative and Bond Counsel.

Section 9. <u>Appointment of Paying Agent and Registrar</u>. The Authorized Representative is authorized to designate a Paying Agent and Bond Registrar for the Bonds and to negotiate and execute on behalf of the District a Paying Agent and Registrar Agreement. In addition, the District

requests and authorizes the Paying Agent and Registrar to execute the Certificate of Authentication as of the date of delivery of the Bonds.

Section 10. <u>Tax Levy and Pledge</u>. The Bonds shall be a general obligation of the District. The full faith and credit of the District is pledged to the owners of all the Bonds for the payment of the principal and interest on such Bonds when due. The District shall levy annually, as provided by law, a direct ad valorem tax upon all of the taxable property within the District in sufficient amount, without limitation, to pay the principal of and interest on all such Bonds promptly as they become due and payable. The District covenants with the owners of all the Bonds to pledge such ad valorem taxes in sufficient amount to pay the principal of and interest on all the Bonds as they respectively become due and payable. Pursuant to ORS 310.145, the District hereby classifies the tax levy described in this section to be taxes imposed to pay the principal and interest on exempt bonded indebtedness and such taxes are not subject to the limits of sections 11 or 11b, Article XI of the Oregon Constitution. The District shall give notice of the classification of the tax levy as provided in ORS 305.583(9)(a) and (10).

Section 11. <u>Conditional Redemption</u>. Any notice of optional redemption may state that the optional redemption is conditional upon receipt by the Paying Agent of moneys sufficient to pay the redemption price of such Bonds or upon the satisfaction of any other condition, and/or that such notice may be rescinded upon the occurrence of any other event, and any conditional notice so given may be rescinded at any time before payment of such redemption price if any such condition so specified is not satisfied or if any such other event occurs. Notice of such rescission or of the failure of any such condition shall be given by the Paying Agent to the owner as promptly as practicable upon the failure of such condition or the occurrence of such other event.

Section 12 . <u>Defeasance</u>. The District may defease Bonds by setting aside, with a duly appointed escrow agent, in a special escrow account irrevocably pledged to the payment of the Bonds to be defeased, cash or direct obligations of the United States in an amount which, in the opinion of an independent certified public accountant, is sufficient without reinvestment to pay all principal and interest on the defeased Bonds until their maturity date or any earlier redemption date. Bonds which have been defeased pursuant to this section shall be deemed paid and no longer outstanding, and shall cease to be entitled to any lien, benefit or security under this Resolution except the right to receive payment from such special escrow account.

Section 13. <u>Authorized Uses of the Proceeds of the Bonds</u>. For purposes of ORS 305.583(9)(b), the proceeds of all the bonds issued under the authority of Measure 29-165 shall be used to finance capital costs for the construction, equipping and furnishing of a new healthcare education building on land currently owned by the District (the "Project").

The bonds will be payable from taxes on property located in Tillamook County.

The District shall give notice of the specification of the authorized uses of the proceeds of bonded indebtedness as provided in ORS 305.583(9)(b) and (10).

Section 14. <u>Contract with Owners of Bonds</u>. In consideration of the purchase and acceptance of the Bonds, the provisions of this Resolution and the Bonds shall be deemed to be and shall constitute a contract between the District and the owners of the Bonds. The covenants and agreements to be performed by or on behalf of the District shall be for the equal benefit, protection and security of the owners of any and all Bonds, all of which shall be of equal rank without preference, priority, or distinction among the Bonds.

Section 15. <u>Tax Covenant</u>. The proceeds of the Bonds shall be used and invested in such manner that the Bonds shall not become "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), and the applicable regulations. The District covenants that, within its lawful powers, it will not do, and will refrain from doing, anything in the issuance of the Bonds and in the investment and expenditure of the proceeds thereof which would result in the interest on any tax-exempt Bonds becoming taxable for federal income tax purposes.

Section 16. <u>Appointment of Underwriter/Placement Agent</u>. Piper Sandler & Co. is appointed as the underwriter/placement agent in connection with the issuance of the Bonds.

Section 17. <u>Appointment of Bond Counsel</u>. The law firm of Mersereau Shannon LLP is appointed as Bond Counsel to the District for the issuance of the Bonds.

Section 18. Preliminary and Final Official Statement. If required, the District shall prepare, or cause to be prepared, a preliminary official statement for the Bonds which shall be available for distribution to prospective purchasers of the Bonds. The Authorized Representative is authorized to deem such preliminary official statement final pursuant to Rule 15c2-12 of the Securities and Exchange Commission. If a preliminary official statement is prepared, a final official statement shall be prepared and ready for delivery to the purchasers of the Bonds no later than the seventh (7th) business day after the sale of the Bonds. When the District determines that the final official statement does not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements contained in the final official statement not misleading in the light of the circumstances under which they are made, the Authorized Representative is authorized to certify the accuracy of the final official statement on behalf of the District.

Section 19. <u>Closing of the Sale and Delivery of the Bonds</u>. The Authorized Representative is authorized to determine and execute all the documents, including a tax certificate, and perform any and all other things or acts necessary for the sale and delivery of the Bonds as herein authorized. Such acts of the Authorized Representative are for and on behalf of and are authorized by the Board of the District.

Section 20. <u>Continuing Disclosure</u>. The District covenants and agrees that it will comply with and carry out all of the provisions of any Continuing Disclosure Certificate executed by the District. Failure by the District to comply with a Continuing Disclosure Certificate will not constitute an event of default; however, any owner may take such actions as may be necessary and

appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this section.

Section 21. <u>Post Issuance Compliance Procedures</u>. The Authorized Representative may establish post issuance compliance procedures to ensure that the interest on the Bonds remains exempt from federal income tax and the obligation of the District to provide continuing disclosure as described in continuing disclosure certificates of the District are met. If the Oregon School Bond Guaranty Program is utilized, the Authorized Representative shall establish such post issuance compliance procedures.

Section 22. Effective Date. This Resolution shall take effect on the date of its adoption.

TILLAMOOK BAY COMMUNITY COLLEGE DISTRICT

ADOPTED by the Board of Education of Tillamook Bay Community College District, Tillamook County, Oregon, this 3rd day of October 2022.

Secretary of the Board, Board of Education

Approval to Hire Project Management Firm

RECOMMENDATION

ACTION ITEM

BACKGROUND INFORMATION President Tomlin

A RFQ was sent out last month to request proposals for a Project Management firm to act as an Owner's Representative for both the construction of the new Healthcare Education Building as well as the renovations to the Center for Industrial Technology. We received five qualified proposals prior to the deadline.

Pat Ryan, Dr. Paul Jarrell, Heidi Luquette, and myself acted as the review committee for evaluating the proposals to determine a recommendation to the board for filling this position. We each reviewed the proposals using a scoring rubric that was included in the RFQ. We then met to compare scores and rank the proposals based on those scores. From that ranking, we chose 3 firms to interview last week. Each firm came to campus, received a tour, and were asked questions by the committee. After the interviews, the committee met to compare notes and determine who to recommend to fill the Owner's Representative role.

A sheet with our recommendation will be handed out at the meeting that details the background and qualifications of our recommended firm. Committee members will be present to answer questions from the board members and share their thoughts about the process and the recommendation. We are asking the board to approve the college to hire the recommended firm to be the Owner's Representative for both projects: the construction of the new Healthcare Education Building as well as the renovations to the Center for Industrial Technology.

BACKGROUND INFORMATION Director Telesmanich

I came to Tillamook Bay SBDC after my son graduated from college. I want to devote my efforts to something meaningful for the long term. I believe helping our community's small businesses with the TBCC SBDC is that opportunity.

My wife had a consulting business for many years. I was trained in finance / law and had worked in corporate management for many years, so I could lend a hand in certain areas. Initially I helped my wife with her business license applications, registering and planning. Later I helped with technical writing, bookkeeping and creating simple Excel worksheets. She taught me a lot about professionalism, service and courage.

My vision for the Tillamook Bay SBDC is to raise greater awareness in the community of our program. Small business owners must work hard to succeed. Having a professional support network like ours can help them run effectively by helping them acquire knowledge and resources they need to win. For our team of advisors and instructors, I believe it is important that everyone believes in what we're doing. It is a great feeling to work together toward a common goal.
