

Tillamook Bay Community College Nursing Program Application Packet

Congratulations on exploring the nursing career path!

In this packet, you will find the basic information and application requirements to apply for the Associate of Applied Science (AAS) in Nursing degree at Tillamook Bay Community College (TBCC).

TBCC is proud to be accredited by the Northwest Commission on Colleges and Universities. Additionally, TBCC has received approval from the Oregon State Board of Nursing to offer an Associate of Applied Science degree in Nursing. Completion of an approved program is required to be eligible to take the National Council Licensure Examination (NCLEX-RN), which is required to become licensed as a Registered Nurse.

Registration at TBCC is required prior to application to the AAS program. Detailed information is available upon request. For convenience, the application steps checklist and point grid worksheet are included in this packet along with the actual application document.

FORM 1: Associate of Applied Science Nursing Program Application

Admission to the program is based on an accumulated point score compiled from documents submitted and an in-person interview with Nursing program faculty. Due to the high volume of applications expected, it is the student's responsibility to ensure that all required documents have been received by the appropriate department prior to the deadline.

Complete application packets are due no later than October 2nd, 2023. The most qualified candidates will be contacted for interviews with Nursing program faculty. The score from this interview will factor into the final candidate score and ultimately acceptance into the RN program. Applicants will be notified if selected for an interview no later than November 1st, 2023 and acceptance letters will be mailed by November 22nd, 2023.
