## **Introduction**

Safety and security at Tillamook Bay Community College (TBCC) requires the efforts of our students, employees and volunteers. Safety and security concerns, and response to such matters is an important part of providing an appropriate learning environment.

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the Act), originally enacted by Congress in 1990, codified at 20 USC 129(f) as part of the Higher Education Act of 1965, is a federal law that requires colleges and universities to disclose specific information about crime and security policies on an annual basis. The original law, and subsequent amendments, was championed by the parents of Jeanne Clery, who was murdered in her dorm room at Lehigh University in 1986. Amendments to the Act in 1998 renamed it in memory of Jeanne Clery (The Clery Act).

In 2008, the Higher Education Opportunity Act (HEOA) (Public Law 110-315) reauthorized and expanded the Higher Education Act of 1965, as amended. HEOA amended the Clery Act and created additional safety and security related requirements for institutions of Higher Education.

Recently, both Title IX and The Violence Against Women Reauthorization Act of 2013 (hereinafter VAWA) have both added additional requirements to ensure safety to both students and employees.

The information contained in this report is provided to assist students and their parents in making decisions that may affect their personal safety when considering enrollment at Tillamook Bay Community College. The report also provides students/prospective students and current employees/prospective employees with information they may need to avoid becoming victims of crime on campus.

More information on the Clery Act can be found on the Department of Education's Campus Security website: <http://www2.ed.gov/admins/lead/safety/campus.html>

## **General Safety**

TBCC and its administration strongly believe everyone has a role in providing a safe learning environment. For your personal safety and others of the campus community, consider the following suggestions:

- Notify Campus Safety at (503) 842-8222 ext. 1020 of suspicious activities or people.
- Remember the location of assistance telephones on campus.
- Be aware of your surroundings.
- Trust your instincts. If you think something is not quite right, go to where there are other people.
- Park in well-lit areas
- Do not leave personal items unattended in your car or campus buildings.
- Scan the interior of your car before entering.

## **Access to Campus Facilities**

TBCC Main Campus and PRI are open campuses and are generally open only when classes are scheduled. When the campus is closed, all exterior doors are locked limiting access to authorized key holders. The Main Campus access is during the hours of 7:40 a.m. to 7:00 - 8:30 p.m. during regular academic terms. Access to the PRI Building is 7:50 a.m. to 5:00 p.m. College buildings are closed Saturday, Sunday, and holidays. During the months of July and August college buildings are also closed Fridays.

Building access key cards are issued to staff and faculty who may require access to the campus outside of regular hours of operation. Access levels are assigned based on the roles and responsibilities of staff and faculty, as well as what building(s), and areas of a building access is appropriate.

Alarm monitoring is provided through a contracted service. Notifications of alarms are sent to various staff, depending on the nature of the alarm who respond, with local emergency services, appropriate to the situation

## **Title IX Coordinator**

TBCC's Title IX Coordinator is Pat Ryan. The Office of Title IX is located in Room 122 of the Main Campus building. (503) 842-8222 ext. 1020.

## **Reporting Crimes and Other Emergencies on College Locations.**

All criminal offences, including Clery Act crimes should/may be reported to one of the following staff on campus, who will in turn contact Tillamook Police Department or appropriate local law enforcement.

Campus Safety	Pat Ryan <a href="mailto:patryan@tillamookbaycc.edu">patryan@tillamookbaycc.edu</a>	(503) 812-6404 (cell) (503) 842-8222 Ext.1020 (Office)
Associate VP of Student Services	Rhoda Hanson <a href="mailto:rhodahanson@tillamookbaycc.edu">rhodahanson@tillamookbaycc.edu</a>	503-842-8222 Ext. 1110
VP of Academics and Student Service	Paul Jarrell <a href="mailto:pauljarrell@tillamookbaycc.edu">pauljarrell@tillamookbaycc.edu</a>	(503) 842-8222 Ext. 1030

In the event of a situation that feels like a life-threatening emergency, the Tillamook County Emergency Communications District may be reached by dialing 911 from any phone on campus. Campus Safety should be called after calling 911, if safe to do so.

Unsafe and unlawful activities should be reported immediately to Campus Safety located at the Main Campus Building (4301 Third Street, Tillamook) in Room 122 or by telephone at (503) 842-8222 ext. 1020. If calling from a campus telephone dial extension 1020 or extension 1100 directly.

Individuals who witness a crime or suspicious activity, or have knowledge of criminal activity on campus are asked to report the information in a timely manner. Reports are kept confidential to the extent allowed by law.

There are four "Assistance Telephones" in the main campus building and two "Assistance Telephones" located in the Partners for Rural Innovation Building (PRI). These phones may be used to dial 911 or contact Campus Safety by dialing extension 1020.

Telephones are located in all college classrooms, labs, and offices, which can be used to call for assistance and act as a speaker to broadcast emergency messages.

All employees, students, community members, crime victims and witnesses are strongly encouraged to immediately report crimes and campus safety related incidents occurring on property owned, leased, or otherwise controlled by TBCC to College authorities and the appropriate local law enforcement agency depending on where the crime/incident occurs. Prompt reporting will assure timely warning notices on campus and timely disclosure of crime statistics. **To report an emergency dial 911** or Campus Safety at extension 1020. All information related to criminal actions will be forwarded to the Tillamook Police Department.

To report a non-emergency, security or public safety-related matter, call The Office of Facilities, and Safety at (503) 842-8222 Ext. 1020. Tillamook Police may be reached at (503) 842-2522.

The college is not responsible for the personal property of students, employees, and campus visitors. Items of value should not be left unattended when on campus, or in a parked vehicle.

## Incident and Accident Reports/Crime Log

An Incident Report should be completed and returned to the Director of Facilities and Safety in Room 122 within 24 hours of an incident. Incident Report forms are available on the TBCC website on the Human Resources page or in Room 122 in the Main Building. Campus safety requires the combined efforts of staff,

students and the community. Do your part by immediately reporting suspicious behavior, activity, or crimes to the Director of Facilities, and Safety. Any suspicious activity or person seen in parking lots, or on campus, should be reported to Tillamook Police at 911 or (503) 842-2522 (non-emergencies), or Campus Safety at extension 1020. Criminal offenses may also be reported to one of the following authorities on campus who will in turn contact Tillamook Police Department or the appropriate local law enforcement.

In addition to reporting of all crimes to local law enforcement the Director of Human Resources, Facilities, and Safety will complete an Incident Report for the crime. Included in the report are: location, date, time, and nature of the crime as well as the disposition of the matter.

Tillamook Bay encourages anyone who is the survivor of, or witness to any crime to promptly report the incident to the police. Because police reports are public records under state law, the Police Department cannot hold reports of crime in confidence. Violations of the law will be referred to Tillamook Police and when appropriate, to the Associate VP of Student Services or the Director of Human Resources, Facilities, and Safety for review.

***It is a survivor's right to choose whether to notify and seek assistance from law enforcement or campus authorities as described above, but they are strongly encouraged to do so.***

## **Emergency Management**

### **Emergency Response, Evacuation Notifications**

The TBCC Emergency Notification System will be used to communicate messages to segments of or the entire TBCC populations as quickly as possible after confirmation is made that legitimate emergency or dangerous situation exists. The use of this system during a declared emergency must be authorized by TBCC's Office of the President, or designee.

Emergency notifications may include but are not limited to:

- Violent threats
- Fire alarms, building evacuations, and lock downs affecting the entire campus
- Hazardous spills
- Natural disasters
- Campus closures due to a declared civil emergency

The Emergency Notification System is used on request only from authorized personnel. Messages conveyed through the TBCC Emergency Notification System will include specific information regarding evacuation, building lock downs, and other pertinent information directly related to student and staff safety. Contact Campus Safety (503) 842-8222 ext. 1020, to provide any information you may have about an emergency.

Emergency notifications are sent via the TBCC website and FlashAlert, which sends to devices selected by the recipient. Persons on campus will be directed to evacuate the building via notification by email, phone or cell phone. Evacuations due to potential fire will be triggered by the regular fire alarm system.

Weather closures or other emergency closures are recorded on (503) 842-8222 ext. 1100, TBCC website, and FlashAlert.

All employees receive an Emergency Guide as part of new employee onboarding. The Emergency Guide is placed in classrooms and offices throughout the campus. The guide provides information for responding to a range of situations that may affect the campus community. (See Appendix A, Emergency Guide).

### **Timely Warnings**

In the event that a situation arises, either on or off campus, that, in the judgment of the President or designee, constitutes an ongoing or continuing threat, a campus wide "timely warning" will be issued. The warning will be issued through the College e-mail, voice mail, and FlashAlert emergency notification system to students and staff, as is deemed appropriate, excluding victim names to ensure confidentiality.

Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, hard copy notices may be posted in campus classrooms and in other prominent locations on campus.

Timely warnings may include the following information:

- Information about the incident that triggered the warning
- Date, time and location of the incident
- Suspect information and description (if applicable and available)
- Who to contact at TBCC to report additional information about the crime to (usually Campus Safety at (503) 842-8222 Ext. 1020)

Anyone with information warranting a timely warning should report the circumstances to Campus Safety at (503) 842-8222 Ext.1020 or in person to the Campus Safety Office in Room 122. Campus Safety will send a timely warning to the campus

## **Violence against Women Reauthorization Act and SaVE Act**

In response to the VAWA Act and the SaVE Act TBCC has:

- Adopted FBI definitions for Clery Act Crimes
- Tracks crime statistics include dating violence, domestic violence, and stalking that occur on TBCC campus or Clery Geography and reported to law enforcement or campus authorities.
- Reports VAWA crimes in the Annual Campus Safety and security Survey.
- Provides procedures regarding proceedings and disciplinary action for alleged dating violence, domestic violence, sexual assault and stalking.

Policies and procedures are reviewed to remain current with Title IX, the Clery Act, and Violence Against Women Act.

## **Obtaining Information on Sex Offenders**

Under current Oregon law, sex offender information can be obtained through the State of Oregon Sex Offender Inquiry System at: <http://www.oregon.gov/OSP/SOR/>

Information on offenders registered in Tillamook County can be obtained also from the Tillamook County Community Corrections website at: <http://www.tillamooksheriff.org/>

## **College Policies and Procedures**

# ACTIVE SHOOTER ON CAMPUS/LOCKDOWN

## 1. ACTION STEPS:

### A. Happening Now

- Hearing gun fire may be your first indication that something is wrong. Assess your situation as best you can and take action.
- In general, the more distance you can put between yourself and the shooter the better. Do not go towards the sounds of gunfire to investigate and/or try to help.
- Get away from the area. Try to be a moving target vs. a non-moving target.
- If you cannot get out of the area but are somewhat distant from the shooting consider locking down as an option. You may choose to try and secure the room you are in or go to a near-by room that can be secured. **All classrooms, meeting rooms, and Library doors can be locked from the inside using either the push button or thumb turn handle.** A key is not required to lock these doors.
- Close blinds, turn off all radios, etc., and keep quiet. Get down near the wall which the shooter is most likely to try firing through. Your goal is to keep the shooter from entering your room.
- Quietly discuss with others in the room what you will do if the shooter enters the room. If that happens do not “duck for cover”. If possible try to get away. Evaluate the situation as best you can before following any directions from the shooter.

### B. Lock Down

When possible the campus emergency notification system will be activated to alert people to the need for a Lock Down.

- Staff may initiate a lock down in place in their area when circumstances dictate.
- Do not set off the fire alarm in a lock down. People may become targets by orderly leaving the buildings and gathering outside.
- If a fire alarm goes off while you are in lock down assess the situation before leaving your shelter. The alarm may have been set off by the shooter(s). If you smell smoke or see fire you need to exit.
- In an active shooter situation the first priority of the police will be to neutralize the shooter(s). Consider carefully before doing anything that may cause you to be confused with the suspects – like showing a personal weapon, running toward police etc. Cooperate with all instructions from law enforcement.
- Campus Emergency Coordinators and Facilities Maintenance will lock down internal and external doors.
- Faculty, staff and students should be sure to follow instructions from Campus Emergency Coordinators and emergency responders.

In lieu of instructions:

- Close all interior and exterior doors
- Turn off lights, close curtains
- Turn off student/staff cell phones
- Keep staff/students quiet and out of view
- Have all staff/students stay in the room they were in when the incident started
- If people need help (medical, other assistance) call 911 from any cell or campus telephone.
- Do not allow people to leave the building or rooms until authorized by emergency response personnel.

For any on-campus emergency, dial 911.

# VIOLENT OR THREATENING BEHAVIOR

## 1. Action Steps – Verbally Abusive Behavior

- Remain calm.
- Try to calm the person down.
- Try to listen carefully and pay attention to what is said. Let the person know you will help within your ability to do so.
- If the individual does not respond, get the attention of others around you.
- If the situation is escalating or if you feel there is an immediate threat, contact 911.
- If necessary, leave your workspace. Do so under whatever pretext is necessary.

## 2. Action Steps - Physically Aggressive Behavior

- Do not engage the physically aggressive person. Leave your workspace immediately. Go to a location with other people.
- Advise your Supervisor and other staff.
- Call 911.

## 3. Other Guidelines for Coping in a Potentially Violent Situation:

- Be aware of and remove any object that could be used as a weapon, if safe to do so.
- If your instinct tells you something is wrong, leave immediately.
- Ask to include a supervisor or administrator to help the agitated person's need to feel heard.
- Ask questions to help regain control of the conversation and to understand the situation.
- End the conversation if the person remains belligerent and does not respond to your efforts.
- Never touch an outraged person or try to force them to leave.
- If a weapon becomes evident, leave. If that is not possible, calmly ask the person to leave any weapon in a neutral position as you continue talking calmly. Call 911 as soon as possible.
- Never agree to be alone with, or, go to an unmonitored location with a potentially violent person.
- After the meeting is over, report any unacceptable behavior or threats to your Supervisor. Help the campus remain alert to any situation that could eventually escalate to violence.

## 4. Campus

- Get descriptions of the person(s) causing the disturbance.
- Gather key details of what happened.

- Call 911, and then give your name, telephone number, location and the nature of the disturbance.

5. Actions Faculty Can Take for Classroom Disturbances

- Direct the disruptive person(s) to leave the classroom.
- If the person(s) does not leave, have the situation reported to 911 giving the name of the caller, telephone number, location, and nature of the disturbance.
- If the safety of the others is threatened, dismiss the class.

Article No.: 322

Approved: June 2, 2008, May 2, 2016, March 5, 2018

Reference: ORS 342.700; 342.704

Tillamook Bay Community College recognizes sexual harassment as a form of sex discrimination under federal and state law.

It is the policy of Tillamook Bay Community College that all employees and students enjoy a positive and productive work and learning environment, free from all forms of discrimination, including sexual harassment. Any employee found to be sexually harassing any other employee or student will be subject to disciplinary action up to and including dismissal.

### Definition of Sexual Harassment

Unwelcome conduct of a sexual nature, such as sexual advances, requests for sexual favors or other verbal, nonverbal, or physical conduct of a sexual nature. Sexual violence is a form of sexual harassment and refers to physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent. Gender-based harassment refers to unwelcome conduct based on and individual's actual or perceived sex, including harassment based on gender identity or nonconformity with sex stereotypes, and not involving conduct of a sexual nature. All of these types of sex-based harassment are forms of sex discrimination.

Sexual harassment exists when:

- A. Such conduct is of such frequency and/or severity that it has the effect of unreasonably interfering with an individual's work or academic performance to an objectively unreasonable level or creating a work or learning environment that is objectively intimidating, hostile or offensive; or
- B. The offender is attempting to compel or induce a specific person or persons to engage in or experience sexual conduct from which he/she has a legal right to abstain and has an objectively reasonable fear that negative personal consequences will occur if such conduct is not undertaken or tolerated.
- C. Submission to such conduct is made either explicitly or implicitly as a term or condition of an individual's employment or academic advancement; or
- D. Submission to or rejection of such conduct by an individual is used as the basis for academic or employment decisions affecting such individual.

Examples of conduct that could rise to the level of sexual harassment if the standards of A, B, C, or D are met may include, but are not limited to:

- Verbal harassment or abuse;
- Inappropriate touching, massaging or brushing against;

- Demands and/or subtle pressure for sexual favors;
- Jokes or pranks about sex or gender traits;
- Whistling or obscene gestures;
- A male tells a female she looks "hot";
- A female tells a male he has a nice derriere;
- Discussion in mixed groups of recent sexual exploits;
- Sexually explicit photos in a work or learning area.

### Employee or Student Action

A report of sexual harassment may be made at any time, but preferably as close in time to the incident as possible. It is recommended that an employee or student who feels he/she is subjected to harassment:

- A. Tell the offender to stop. Say it firmly, without smiling or apologizing. It is not required that a complaint be made to the alleged harasser.
- B. Keep a diary or log of what is happening to you. Include direct quotes, any witnesses, or patterns to the harassment. Save any notes or letters sent to you by the alleged harasser; or
- C. Report the complaint to the Director of Facilities and Safety. Employees or students may opt to ask their supervisor or another administrator for assistance with this process.

Employees or students have the right to file a formal complaint with the Civil Rights Division of the Bureau of Labor and Industries.

### District Action

Once a complaint is filed with the Director of Facilities and Safety, an investigation will begin, including:

- A. The complainant will be interviewed;
- B. The alleged harasser will be interviewed;
- C. Witnesses may be contacted as well as others who may have information.

All interviews will be documented. The interview may be recorded to ensure accuracy as well as documented in writing. Interviews will be conducted individually and confidentially and may be conducted with the assistance of a second confidential employee of the College. The

College will not tolerate any form of retaliation from the alleged harasser. The College will keep the information confidential except as otherwise requested by law.

Once the investigation is completed, written responses to both parties will be drafted stating that:

Contact Campus Safety (503) 842-8222 Ext. 1020 to provide any information you may have about an emergency.

Weather closures or other emergency closures are recorded on (503) 842-8222 Ext. 1100, TBCC website, and FlashAlert.

## **Timely Warnings**

In the event that a situation arises, either on or off campus, that, in the judgment of the President or designee, constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued. The warning will be issued through the College e-mail, voice mail, and FlashAlert emergency notification system to students and staff, as is deemed appropriate, excluding victim names to ensure confidentiality.

Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, hard copy notices may be posted in campus classrooms and in other prominent locations on campus.

Timely warnings may include the following information:

- Information about the incident that triggered the warning
- Date, time and location of the incident
- Suspect information and description (if applicable and available)
- Who to contact at TBCC to report additional information about the crime to (usually Campus Safety at (503) 842-8222 Ext. 1020)

Anyone with information warranting a timely warning should report the circumstances to Campus Safety at (503) 842-8222 Ext.1020 or in person to the Campus Safety Office in Room 122.

Campus Safety will send a timely warning to the campus.

## **Sexual Assault, Domestic Violence, Dating Violence, and Stalking Prevention and Response**

Tillamook Bay Community College prohibits sexual assault, domestic violence, dating violence and stalking.

Sexual Assault is defined as any offense classified as a forcible or non-forcible sex offense under the uniform crime reporting system of the FBI.

Domestic Violence is defined as a felony or misdemeanor crime of violence committed by:

- a current or former spouse or intimate partner of the victim,
- a person with whom the victim shares a child in common,
- a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner,
- a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies (under VAWA), or
- any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

Dating violence means violence committed by a person:

- who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- where the existence of such a relationship shall be determined based on a consideration of the following factors:
  - the length of the relationship;
  - the type of relationship; and
  - the frequency of interaction between the persons involved in the relationship

Stalking is defined as engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

- fear for his or her safety or the safety of others; or
- suffer substantial emotional distress.

Although the State of Oregon does not define “consent” in reference to sexual activity, below are boundaries to adhere to when engaging in sexual activities:

- Both parties show a clear and mutual understanding of exactly what they are consenting to.
- There is no coercion, force, threats, intimidation, or pressuring.
- Both parties express in words or actions a clear willingness to do the same thing, at the same time, in the same way, with each other.
- Silence does not equal consent.**
- Consent is not indefinite and consent may be withdrawn at any time. At anytime sexual activity must cease unless and until additional effective consent is given.

If you are a survivor of domestic violence, dating violence, stalking, or a sexual assault at this institution, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. Tillamook Bay strongly advocates that a survivor of the above crimes report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. Any of the crimes listed above should be reported directly to one of the following:

To report an offense call Tillamook Police by dialing 911, you may also contact Campus Safety by using one of the emergency phones located in classrooms and throughout the campus and dialing 1020. After receiving your call, Campus Safety will take the necessary action required to respond to the specific situation. In the event a survivor is unable to report a sexual assault, domestic violence, dating violence or stalking crime, TBCC Safety will ensure that the survivor has available the necessary care deemed appropriate. TBCC Safety will also work with the appropriate law enforcement agency to ensure accurate and prompt reporting of the incident.

Filing a report with the above staff will not obligate the victim to prosecute; however, this will result in Campus Safety filing a report with the Tillamook Police Department.

Filing a police report will:

- ensure that a survivor of sexual assault receives the necessary medical treatment and tests, at no expense to the survivor
- provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a survivor of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam)
- assure the survivor has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

If an offense occurs, services are available for survivors; these include:

***It is a survivor's right to choose whether or not to notify and seek assistance from law enforcement or campus authorities as described above, but is highly encouraged to do so.***

Students or employees who report they have suffered sexual assault, domestic violence, dating violence or stalking shall be provided with a written explanation of their rights and options at the time of an incident. They will receive written notification of available counseling, health, mental

health, victim advocacy, and other services which may be available—whether they are part of the on-campus community or live in the community.

The College will change a survivor's academic situation after an alleged offense listed above, if requested by the survivor and the changes are reasonably available regardless of whether the survivor chooses to report the crime to Campus Safety or local law enforcement. Options could include enrollment in a different section of a class, withdrawal without penalty, or other reasonable accommodations.

### **Bystander Assistance Guidelines**

If you are a bystander to a domestic violence, dating violence, sexual assault or stalking incident, in order to try to prevent harm or intervene during such an incident, you should immediately call Tillamook Police at 911 or Campus Safety (Dial 1020 from any campus phone or (503) 842-8222 ext.1020). If you witness something that does not look or sound right, don't hesitate to call. Even if the situation resolves before Police or Campus personnel arrive, it still needs to be documented. If, on the other hand the situation continues to escalate, Police or Campus Safety needs to be notified as soon as possible. Do not get yourself involved in a suspicious or threatening situation; immediately call and indicate that it is an emergency.

### **Recognizing Abusive Behavior**

Domestic violence and abuse can happen to anyone. If you or if you suspect someone you know suffers abuse, contact Tillamook Police, Campus Safety, or the Associate Vice President of Student Services.

Tactics abusers may use towards victims can include the following:

- Blaming the victim or others and making the victim feel it is the victim's fault for the abuser's violent behavior. Many abusers also deny that the abuse even occurred.
- Dominating the relationship including making all decisions, treating you like a child or his/her property.
- Intimidating the victim by using threatening looks or gestures. May also include smashing/breaking things in front of victim. May show victim weapons abuser has, implying that there will be violent consequences.

Abusers are selective about whom they will abuse. They have the power to stop their abusive behavior, but chose not to do so unless it suits their purposes. They are also selective about physical abuse they inflict so that it is on body parts that will not show.

If you suspect that someone you know is being abused, call Tillamook Police, Campus Safety or the Associate Vice President of Student Services. By speaking with the police or designated TBCC staff, they will be able to offer help to victims of abuse. If you are being abused, please contact any of the above staff. There is help and resources available to support you in this process.

Students or staff who have orders of protection, no contact orders, restraining orders, or similar lawful orders are encouraged to contact Campus Safety or the Associate Vice President of Student Services who will then be better able to respond in the event of an incident.

### **Victim's Rights**

A student or employee who reports to TBCC that they suffered domestic violence, dating violence, sexual assault, or stalking incident, whether or not the offense occurred on or off campus, will be provided with a written explanation of victim rights outlining the following:

## **Sanctions**

The College Board has directed the College President, pursuant to ORS 341.290, to establish administrative rules to govern the College and its students, and to administer disciplinary action. Sanctions TBCC may impose following a final determination of disciplinary proceedings regarding rape, acquaintance rape, and forcible and non-forcible sex offenses, domestic violence, dating violence, and stalking are outlined in the Student Code of Conduct and may include but are not limited to:

- Disciplinary probation - A verbal or written warning by the appropriate College Administrator.

Upon written request, TBCC will disclose to the alleged victim of the above crimes the results of any disciplinary hearing conducted by the College against the student who is the alleged perpetrator of the crime or offense. If the alleged victim is deceased as a result of the crime or offense, TBCC will provide the results of the disciplinary hearing to the victim's next of kin, if so requested.

All College-related criminal actions, including sex offenses, domestic violence, dating violence, and stalking are reported to Campus Safety and are investigated in cooperation with Tillamook Police.

The College will change a victim's academic situation after an alleged offense listed above, if requested by the survivor and the changes are reasonably available, regardless of whether the

victim chooses to report the crime to Campus Safety or local law enforcement. Options could include enrollment in a different section of a class, withdrawal without penalty, or other reasonable accommodations.

In the event the accused or the survivor wants to appeal the results of a disciplinary proceeding, they may contact the Vice President of Instruction and Student Services.
