PURPOSE

Students enrolling in credit courses at Tillamook Bay Community College for the first time will be expected to enroll and register following college procedures. Students enrolling for a certificate, degree, or diploma will attend an orientation designed specifically for new students and complete an assessment of their basic skills before they register. Students performing below requisite skill level will be advised to enroll in courses to upgrade their skills. Students, once admitted, must meet prerequisites for courses and programs, as required.

Students must petition for a degree and/or certificate within one year of completing applicable course work. The final nine credits that apply to a degree and/or certificate must be taken at Tillamook Bay Community College. The College reserves the right to auto-award certificates and/or degrees.

Students will be graduated and/or certified according to the requirements of the catalog in force when they enroll unless they choose to graduate and/or certify under a later catalog. No catalog is valid for longer than the summer term following the sixth academic year after the issuance of the catalog. Students not enrolled for two or more continuous terms will be graduated and/or certified according to the requirements in force when they re-enroll unless they choose to graduate and/or certify under a later catalog. For students enrolled in programs that are accredited or licensed, students must graduate and/or certify under the program requirements most recently approved by the accrediting agency and/or licensing authority.
