

REGISTRATION

ADMINISTRATIVE RULE NUMBER: D027

LAST APPROVED: December 2, 2008, March 9, 2009, May 29, 2019, November 1, 2019

RELATED TO POLICY SERIES NUMBER: 400

PURPOSE

Students enrolling in credit courses at Tillamook Bay Community College for the first time will apply using the online admission link on our website.

First-time college students enrolling to pursue a certificate, degree, or diploma will meet with an academic advisor prior to registration of courses to discuss course placement and to determine which course of study most closely aligns with the student's career and educational goals.

First-time college students will attend a New Student Orientation (NSO) session prior to registration of courses. Students who have completed prior college-level coursework may be exempted from attending the NSO.

Returning TBCC students are required to meet with an academic advisor prior to enrolling in courses each term to ensure the student is following their Career Education Plan (CEP). Each student needs to update their CEP prior to the beginning of every term in consultation with their academic advisor.

All students must meet the pre-requisites listed for courses and programs before enrolling in a course. Upon student request, an instructor may choose to waive these pre-requisites on a case-by-case basis.
